# Avanti Fields School, Leicester

## Welcome from Emma Taplin, Principal

On behalf of the staff, students and the Trust I would like to welcome you to Avanti Fields School.

We are an inclusive Hindu faith school based in Leicester, open to students of all faiths and none. In September 2018 we welcomed our first cohort of Year 7 students and will continue to grow year on year with each new intake.

At Avanti Fields our aim is to enable all students to succeed, flourish and maximise their potential. We have the highest expectations for our students in both their academic progress and their personal development and strive to support our young people to become the very best version of themselves.

We are passionate about learning and use opportunities both inside and outside the classroom to foster curiosity, promote independent thought and inspire students to think creatively. Our innovative curriculum allows students to follow traditional academic studies, complemented by the study of philosophy, mindfulness, meditation and yoga in a safe but challenging learning environment.

Our students are happy, thoughtful and confident; our personalised pastoral structures ensures that all students are supported and challenged to achieve their fullest potential and staff, students and parents work together to ensure that each student gains the most from every opportunity.

We hope that you find all the information you need within these pages and through our website, but should you need any further information or would like to arrange a visit please contact the school.

## Welcome from Nitesh Gor OBE, CEO

The purpose of Avanti is to contribute to society through the systematic pursuit of human values and spiritual development.

# Learner Qualities & Character Formation

At Avanti Fields, our aim is to enable our students to be the very best version of themselves and ultimately contribute to making the world a better place (The Avanti Way).

Through a curriculum built on the Avanti three pillars and by actions underpinned by the six core values, students are able to learn, develop and grow into a life of fulfilled potential.

'The Avanti Fields Way' wheel, devised by both our staff and students, visually demonstrates the learner qualities and behaviours we want our school community to develop and embody. We believe that 'The Avanti Fields Way' wheel underpins our academic, character and spiritual curriculum to clearly guide and empower our students to flourish in all aspects of school life and beyond.

# The Three Pillars

Our school prepares pupils for their respective life-journeys by promoting educational excellence, character formation and spiritual insight.

## Educational Excellence

An emphasis on independent thought and personal choice fans every pupil's innate and emerging passion for learning. Our personalised approach provides tailor-made learning paths for all pupils. This motivates and enables all pupils to become reflective, articulate and independent thinkers, laying solid foundations for their future learning, vocation and self-fulfilment. Our approach is characterised by a mentorship and academic support system that is delivered in close partnership with parents.

## Character Formation

Our school prepares pupils to take their place as loyal, responsible and broad-minded British citizens. Our ethos acknowledges that personal virtue, responsibility and a wholesome sense of identity underpin success in all endeavours. It nurtures conduct consistent with the universal virtues of respect, integrity, humility, courage, empathy, gratitude and self-discipline. Avanti House promotes holistic, responsible lifestyles through a vegetarian diet, a curriculum that integrates yoga and meditation and a built environment that actively fosters environmental concern.

## Spiritual Insight

The development of spiritual insight is at the heart of the curriculum and draws on the teachings of Krishna Chaitanya\*, which embrace a universal, inclusive approach to spirituality, aimed at rekindling a personal, loving and spontaneous relationship with the divine (Krishna). The curriculum offers opportunities to explore the philosophies and traditions of different faiths. Collective worship includes the following practices: kirtan, meditation, worship, reflection, song, prayer, and story-telling.

\* Our ethos draws from the teachings of Chaitanya Mahaprabhu. Chaitanya was born in 1486 in Nadia, then East India's epicentre for learning and scholarship. At an early age he founded what quickly became the region's foremost school, widely renowned for its teaching in logic, grammar and rhetoric. He went on to lead an early civil disobedience movement, contesting religious sectarianism. In later life, he turned his attention to spiritual ideals that transcended social and religious boundaries and thus paved the way for a great spiritual renaissance. He taught that the essence of education is to appreciate how everything has a special relationship with the divine and that such an understanding culminates in a profound spiritual realisation of love, compassion and selflessness – the original, pure nature of every being. He emphasised spiritual equality and advocated that humanity can be united through a shared love of God, expressed through the singing of God's many names. Chaitanya's exemplary life heralded the dawn of an inclusive spiritual resurgence that continues to inspire people from all faiths.

# Our New Site

Construction of our brand new state-of-the-art school is underway at the Manor Farm site, on the Hamilton, Humberstone border.

The school will be a place of learning for students from nursery all the way through to GCSE. As an all-through School, Avanti Fields has been designed to create a cohesive sense of one school whilst providing appropriate and bespoke facilities for each phase.

The new school building will provide specialist teaching spaces, outdoor learning facilities such as forest school, sports pitches and a sports hall that will enhance the curriculum and learning for all students.

# A Day in the Life of Avanti Fields

**8.00 AM**

Students begin to arrive. They may have walked or come by bike or come by bus. They gather with friends, talk with teachers, perhaps handing in slips for trips or instrumental lessons and prepare themselves for the day ahead.

**8.30 AM**

Tutor time begins; students go to their tutor group bases to meet with their tutor who sees them every day. Every day begins with worship and mindfulness. In classes students lead the worship and twice a week we all gather to share in collective worship, think about the week ahead and explore the key values that lead us.

**8.50 AM**

Lessons begin promptly. Learning is at the heart of all activities; teachers encourage students to be curious and explore new ideas and concepts. Avanti Fields students are confident and work well together to solve problems and share ideas. Focused individual work and collaborative activities are varied throughout lessons to provide the best route to learning

**10.40 AM**

At Break students can play and exercise outside, catch up with friends or sit quietly and chat or read.

**10.55 AM**

Lessons continue ; our highly qualified teachers know the students well and plan lessons that stretch , challenge and support in equal measure. Lessons are planned to help students recall and retain new learning; regular low stake tests, homework tasks and memory techniques are used to help students build up their subject specific skills and knowledge.

**12.45 PM**

Lunch is held in the dining hall. Students enjoy a choice of hot meals, cold wraps, rolls and salads. The lunch meals cooked on-site are vegetarian (in line with the faith ethos of the school). They sit together, taking time to eat and talk. School staff often enjoy taking lunch with pupils, creating a family atmosphere. After lunch students can again spend time outdoors; a game of football or table tennis is always underway in designated areas and our lunch clubs support a range of sports and exercise.

**1.40 PM**

The afternoon begins. Our innovative curriculum offers the full range of academic subjects, but also offers something extra; students can also explore philosophy , practice Yoga and learn Sanskrit. The final lesson ends with the end of day reflection, on what we have learned and focusing our mind for the journey home.

**3.30 PM**

The school days ends, some students return home , others may stay to enjoy the after school clubs on offer – including a range of sports, debating, homework support, Art Club and Science Club.

# Aiming for excellence

---

Avanti Schools Trust is driven by five strategic aims which allow us to measure our progress and effectiveness.

## I Outstanding in every Ofsted category

Using Ofsted's framework as the benchmark, Trust staff and consultants carry out support visits, audits and mini-inspections to ensure awareness of a school's grading in each Ofsted category. The best possible support is provided to each of our schools to accelerate progress towards outstanding and beyond.

## II A national family

The Trust maintains and keeps under regular review a pipeline of new school proposals. The current status, next steps and projected start date are reviewed to ensure that we are well prepared for the new schools that join our family and that our growth is optimal in terms of rate, location and nature of offering.

## III Excellent service to Trust schools

The Trust team provides a set of central services and brokers and quality assures a small number of critical external providers across the family of schools, such as IT and HR advice. All of these services are kept under review to ensure that they are both excellent and best value.

## IV Enriching the nation's education

We are committed to contributing to the heart of the nation's school system. This will be delivered through partnership with Government and DfE, teaching alliances, universities and other organisations working in education. The Trust aims to develop its own Teaching School status with associated partner organisations.

## V Leaders in ethics-based education

The distinctive ethos of the Trust is manifest in its Philosophy, Religion & Ethics curriculum and in Collective Worship. The Trust seeks to become a thought leader in these areas with a view to developing a unique and accredited programme for spiritual and ethics-based education.
