

CURRICULUM INTENT

The Citizenship curriculum at Avanti Fields provides students with both knowledge and skills required to become well-rounded individuals and successful global citizens. Through our Citizenship curriculum, students will study physical and mental health, economic skills, social skills safeguarding themselves including online safety. Students also study the British values of democracy, rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs.

ASSESSMENT AND FEEDBACK

Students are assessed regularly in Citizenship through a combination of formative and summative assessments. Students receive timely feedback after each topic, following the whole school 'Strengths, Improvements, and Actions' (SIA) policy. Dedicated Improvement and Reflection Time (DIRT) is built into lessons, post assessments to allow students to reflect and act upon the feedback and complete an improvement and/or challenge tasks to improve and make further progress in their knowledge, skills and understanding.
