

## Autumn Term 2 Topic is: Traditional Tales

### Key texts

### Physical Development

We want all our children to develop their gross and fine motor skills. Taking your child to the park and challenging them to climb and be active is all part of developing their core strength.

Going on long nature walks will build their strength and resilience.

To develop your child's fine motor skills allow them to explore different writing medias, help with hanging up the washing and even using a knife and fork at home. At school we have begun to learn some letter sounds and their formation. Remember to use the Read Write Inc phrases to help them form their letters.

### Other home learning ideas

Going on a number hunt- looking at numbers in the real world

Explore writing for meaning- making shopping lists, labelling, writing a letter to Santa

### Home learning project

Art project-Create your own mean Troll that sits under the bridge! Please feel free to bring these to school so we can showcase your child's home learning

### Communication and Language

Speaking and listening is the key to everything. Having conversations about your child's day, looking at old photos are all a great way of developing quality conversations.

#### This term consider:

Baking- making your own gingerbread people.  
Encourage your child to talk about what they are doing when they make it

Building a bridge- This could be outdoors or indoors. Making lists of the things your child needs to make it, brainstorming ideas and then finally building it will all contribute to great language development

Winter walk- looking and discussing how the seasons are changing from Autumn to Winter

### Personal, social and emotional development

Next term we are looking at the key values Respect and Self- discipline.

#### Things to consider:

Getting your child to become independent in tidying up their room

Getting dressed independently

Hanging up their coat when they come home

Remember to go onto our school website for key calendar dates: [Calendar – Avanti Fields School](#)

Remember to log on to your child's Espresso account to access their learning pad and a wealth of learning resources.
