**RE: Behaviour Framework 2020-'21:**

Dear families,

I am writing to you to communicate our new Behaviour Framework for the academic year 2020-'21, which will begin in September.

The Avanti Gardens Behaviour Framework is based on the following aims:

- **Ready – Ready to learn and ready to represent our school;**
- **Respectful – Be polite, well-mannered and speak to all with respect;**
- **Safe – We will keep ourselves and others safe in school.**

A draft version of our new framework will be posted on the school website shortly. In the first days in September, staff will be teaching pupils the framework and how this is expected to look in the classroom and around the school site. A consistent approach from all staff will be operational from September.

Rewards are a key part of our new framework and students will be rewarded for many aspects of school life. Rewards will include:

- Class dojo points for positive behaviour within class;
- Star of the week for fabulous learning;
- Postcards from Principal and Assistant Principals for outstanding work.

Our aim is for all pupils to have a clear understanding of the expectations for behaviour and learning at Avanti Gardens School. It is important that a partnership between parents/carers, pupils and staff work together to facilitate this expectation.

If you have any specific queries regarding a pupil with additional needs, please contact Miss Barlow through the school email, who can talk you through our inclusive approach.
