

26.11.20

Dear Families,

RE: Tier 3 Bristol

I write to you this week after the Department for Health and Social Care announced that Bristol will be placed into Tier 3 (Very High Alert) from 02.12.20. (<https://www.gov.uk/guidance/full-list-of-local-restriction-tiers-by-area>).

At present, this will mean that our current Risk Assessment measures will remain in place until further updates from Bristol County Council or DfHSC. Our safety measures are in place to ensure staff, pupils and community safety (<https://avanti.org.uk/avantigardens/covid-19-risk-assessments/>)

Please see here (<https://www.gov.uk/guidance/local-restriction-tiers-what-you-need-to-know#very-high-alert>) for the wider measures in place for Tier 3 from 02.12.20.

The team and I will continue to implement our safety measures, including enhancing cleaning and year group bubbles to help keep our school community safe. I ask that families continue to adhere to the Tier 3 restrictions in order to keep all of us safe. Thanks again to families

The team and I have enjoyed working hard on our curriculum enrichment week, whilst making sure that we make the most of every minute for learning.

Yours Faithfully,

Ashley Milum
Principal
