**RE: EYFS Playground Development**

Dear Orchid Families,

I am writing to inform you of the exciting developments to the EYFS playground that are planned to begin mid next week.

DbD, our playground contractor, begin their ground-work preparations from mid/late next week and lasting for several weeks. EYFS pupils will be able to use the rear EYFS garden during that time for continuous provision as well as using the main playground for breaks throughout the day.

Once we receive the finalised designs, I will share them with you and invite you to a drop-in virtual call to ask questions if you wanted to.

Yours Faithfully,

Ashley Milum  
Principal
