ATTENDANCE AND PUNCTUALITY

In line with Section 7 of the Education Act 1996 Avanti Gardens School (AGS) is committed to maximising educational opportunities and achievement for all pupils. For pupils to gain the best from their time at AGS, it is vital that they have excellent attendance and punctuality. We strive for 100% attendance for all pupils. AGS actively promotes good attendance and discourages unjustified absence. AGS recognises that promoting good attendance and punctuality prepares pupils for the disciplines of adult working life. To achieve this, we are committed to working in partnership with parents to ensure that the school achieves a MINIMUM of 97% attendance throughout the school.

1. AIMS:

- To improve the overall percentage of pupils' attendance at the school.
- To ensure attendance and punctuality is a priority for all those associated with the school including pupils, parents, teachers, and SW Hub Board members.
- To develop a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks.
- To provide support, advice, and guidance to parents and pupils.
- To develop a systematic approach to gathering and analysing attendance related data.
- To further develop positive and consistent communication between home and our school.

2. What you can expect from Avanti Gardens School:

- We will promote good attendance and punctuality and will investigate any unexplained and/or unjustified absence
- We will work closely with parents/carers where student's absence is cause for concern
- We will support students to achieve good attendance and punctuality

- We will support students returning to school after prolonged absence

3. What Avanti Gardens school expects from pupils:

- To attend regularly and on time
- To be punctual to all lessons
- To ensure all messages and notes from parents/carers are given to their class teacher or handed in at Reception.

4. What Avanti Gardens School expects from Parents/Carers:

- To ensure their child attends school on those days it is open, punctually, and equipped to learn.
- To ensure their child attends every day the school is open unless they are too ill to do so.
- To avoid keeping their child away from school for any reason other than illness or other authorised reason.
- To avoid arranging holidays during term time.
- To immediately inform the school office if their child is unable to attend including the reason for absence and expected date of return. Parents should also confirm in writing on their child's return the reason for their absence.
- If no indication of a return date has been given, parents/carers should contact the school on each day of absence.

5. Registration

- The law requires the register to be taken twice a day - at the start of the morning session and once in the afternoon session.
- Pupils are registered at the start of every lesson of the day.
- Registers close in the morning at 9.30am and in the afternoon 1.00pm after which pupils will be marked as unauthorised absence unless a satisfactory explanation has been received.
- The register is marked using the DfE Attendance and Absence Codes (see Appendix 1).

6. Punctuality

- AGS expects pupils to arrive punctually at 8.45 (pupils arriving after 9.00am are deemed to be late).
- Any pupil arriving after this time should sign in at Reception giving the reason for being late.

7. Authorised/Unauthorised Absence

Authorised absence is where the school has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the school can do this.

- Parents/carers should contact the school office (by telephone or email) on the morning of absence before 9.00am giving a reason and an expected date of return.
- Absence may be authorised for such reasons as:
 - illness
 - unavoidable medical/dental appointments
 - exceptional family circumstances e.g. bereavement
 - days of religious observance (see Appendix 2)
 - involvement in a public performance

For all reasons other than illness, a Request for Absence form will need to be requested and completed.

- Absence will not be authorised for such reasons as:
 - looking after brothers/sisters/unwell parents/carers
 - birthdays
 - days out
 - shopping trips
 - family holidays where permission has not been granted (please note, family holidays during term time will not normally be approved).
 - special occasions, where the school does not agree that the absence should be granted.
- Medical/dental and other appointments should be arranged out of school hours wherever possible. Where this is not possible, pupils should, where practically possible, come to school before the appointment, sign out and return to school after the appointment. Confirmation of all appointments by way of appointment card, letter or appointment slip must be provided for any absence to be authorised. The school requires sight of an appointment card or letter in order to authorise any absence from the school. If medical appointments are attended at the start of the day, causing the pupil to arrive late to school, medical evidence (as above) must be provided.

- Following an explanation from parents/carers regarding a pupil's absence, the school will decide whether it accepts the explanation and authorise/ unauthorise accordingly.

Most cases of absence due to illness are short term, we require the following from parents.

- A phone call or an email on the first day of absence to alert the school to your child not being in school, with the reason why.
 - A phone call or an email to alert the school on each further day of absence.
- Absence which hasn't been explained will remain as unauthorised.
 - Parents/carers should not take their children out of school for holidays, days out, to attend sporting events, etc.

8. How we respond to Absence/Lateness

- If a pupil is absent at morning registration without contact from a parent/carer to explain the absence, the school will contact parents/carers. We will attempt to call landline numbers and mobile numbers for priority 1 and 2 contact numbers.
 - If we are unable to make contact with Parents by telephone, an email will be sent asking parents/carers to get in contact.
 - If the school has been unable to contact the parent/carer for that child to discuss their absence, a home visit may be completed.

- **Graduated response to Attendance**

Stage 1

Where a pupil's absence is cause for concern, the class teacher will ask for a meeting with the parents/carers. Within this meeting, they will share the current attendance for the child, followed by a follow-up letter from the school. There will be a review date within this letter, whereby the school will need to see an improvement in a child's attendance. [recorded on copy of Appendix 4 and copy uploaded to CPOMS]

Stage 2

If by the review date from the Stage 1 meeting, there has been little/ no improvement in the child's attendance, the Phase Leader for that child, will invite the parents/carers into school and where appropriate the child. During this meeting, the option for additional support for that child will be considered, in order to support the parents/carers in increasing the child's attendance. A review date will then be put in

place. This will be followed up a letter from the school, stating any support that was agreed at that meeting. [recorded on copy of Appendix 4 and copy uploaded to CPOMS]

Stage 3

If by the review date from the Stage 2 meeting, there has been little/no improvement in the child's attendance, the Assistant Principal will invite the parents/carers into school and where appropriate the child. During this meeting, a formal attendance plan will be put in place, along with agreed support to increase attendance for that child. It will be shared at this meeting that if there is no improvement by the next review, then a referral for a penalty notice may be sought. A review date will then be put in place. This will be followed up a letter from the school, sharing the formal attendance plan, with any support that was agreed at that meeting. [recorded on copy of Appendix 4 and copy uploaded to CPOMS]

Stage 4:

If by the review date from the Stage 3 meeting, there has been no sustained improvement in attendance, despite intervention, the Principal will invite parents/carers into school. Penalty notices may be issued in line with the Bristol Local Authority's Code of Conduct. A potential referral to an Education Welfare Officer (EWO) from Bristol Local Authority will be discussed at this meeting. [recorded on copy of Appendix 4 and copy uploaded to CPOMS]

Stage 5:

Referral to Education Welfare Officer. [recorded on copy of Appendix 4 and copy uploaded to CPOMS].

9. Persistent Absence

A pupil becomes a Persistent Absentee (PA) when they miss 10% of their schooling across the academic year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this. Any pupil whose attendance has reached the PA threshold or is at risk of moving towards that threshold is given priority for intervention. Intervention may be via:

- an action plan to improve attendance will be created which may involve referrals to other agencies alongside meetings between relevant school staff and parents/carers
- where parents/carers fail to co-operate with support and strategies provided by the school further advice may be sought which could lead to legal sanctions being imposed

Persistent Absence data is communicated to the Local Authority via the School Census on a termly and annual basis.

10. Leave of Absence during Term Time

Any absence interrupts the continuity of pupil's learning. Government Legislation states that only exceptional circumstances warrant an authorised leave of absence, please refer to the Department for Education for the latest guidance. Parents/carers are strongly urged not to take pupils out of school for holidays during term time.

Even where the circumstances are considered exceptional, please be aware that:

- Your request will not be authorised during exam periods (these could be throughout the year).
- Your request will not be authorised during the month of September.
- Your request will not be authorised if your child's attendance is below the school's attendance target for the 12 months prior to application.
- Your request will not be authorised if your child has unauthorised absences.
- Your request will not be authorised where a previous holiday has been taken.

It is expected that a Request Form is submitted to reception at least 4 weeks in advance of the proposed absence. All factors that need to be considered must be stated on the request form. The school has the right to serve a Penalty Notice on parents/carers who insist on taking their children out of school without authorisation. Penalties require each parent to pay a fine of £60 per child if paid within 21 days or £120 if paid after 21 days but within 28 days. Failure to pay within the specified timescale could result in prosecution in the Magistrates Court for failure to ensure regular school attendance. This legislation also applies to any student taking leave of absence without prior notification to the school.

House Visiting

A home visit may be conducted by a member of staff for the following reasons: -

- A pupil has 3 consecutive days of unexplained absence.
- A pupil is absent from school and a spot welfare check is conducted where the school is concerned for the welfare of that child.

11. Re-integration following Long-term Absence

Where a student has been absent for a prolonged period of time, perhaps due to illness, the school will:

- welcome the student back to the Academy and value their return
- provide support for the student in consultation with parents/carers to enable a successful return to the Academy
- ensure that all relevant staff are informed of the circumstances
- work with other agencies, where appropriate, to ensure a successful outcome
- consider a personalised programme of return if appropriate
- monitor and review the pupil's return

12. Promoting Good Attendance and Punctuality

- Pupils are more likely to attend regularly if the curriculum is engaging and personalised to meet their needs. The curriculum is monitored and revised on an annual basis so that it meets the ability needs of all students
- Good and improved attendance and punctuality will be promoted and rewarded
- Pupils, parents/carers and staff are regularly reminded about the importance of good attendance
- Parents/carers are encouraged to contact the school office/Reception at any time to discuss their child's attendance
- Regular meetings will be held with the appropriate members of staff/external agencies to identify and support those students whose attendance is a cause for concern.
- Pupils who have been absent for extended periods of time will be supported as appropriate to re-integrate back into school.

13. Attendance Data and Targets

- The target for all pupils is to strive for 100% attendance. Only by achieving full attendance can pupils expect to achieve their full potential.
- Attendance data will be collected and analysed and used to inform the school attendance practices and interventions.
- Individual pupil data will be analysed and monitored to enable early intervention
- Attendance data is provided on a half-termly basis to the SW Hub Board
- Attendance data and persistent absence data is communicated to the Local Authority and to the DfE
- AGS will monitor attendance on a weekly basis

14. Special Educational Needs and/or Disabilities

- All children at AGS are expected to attend for their full educational entitlement.
- Adjustments/allowances may be made by the school on agreement of the SENDCo and/or Principal of the school.
- Adjustments to attendance are only temporary and are only used as a last resort to support a child's additional needs.

“Absence to take part in any day set aside exclusively for religious observance by the religious body to which the parents belong, including religious festivals.”

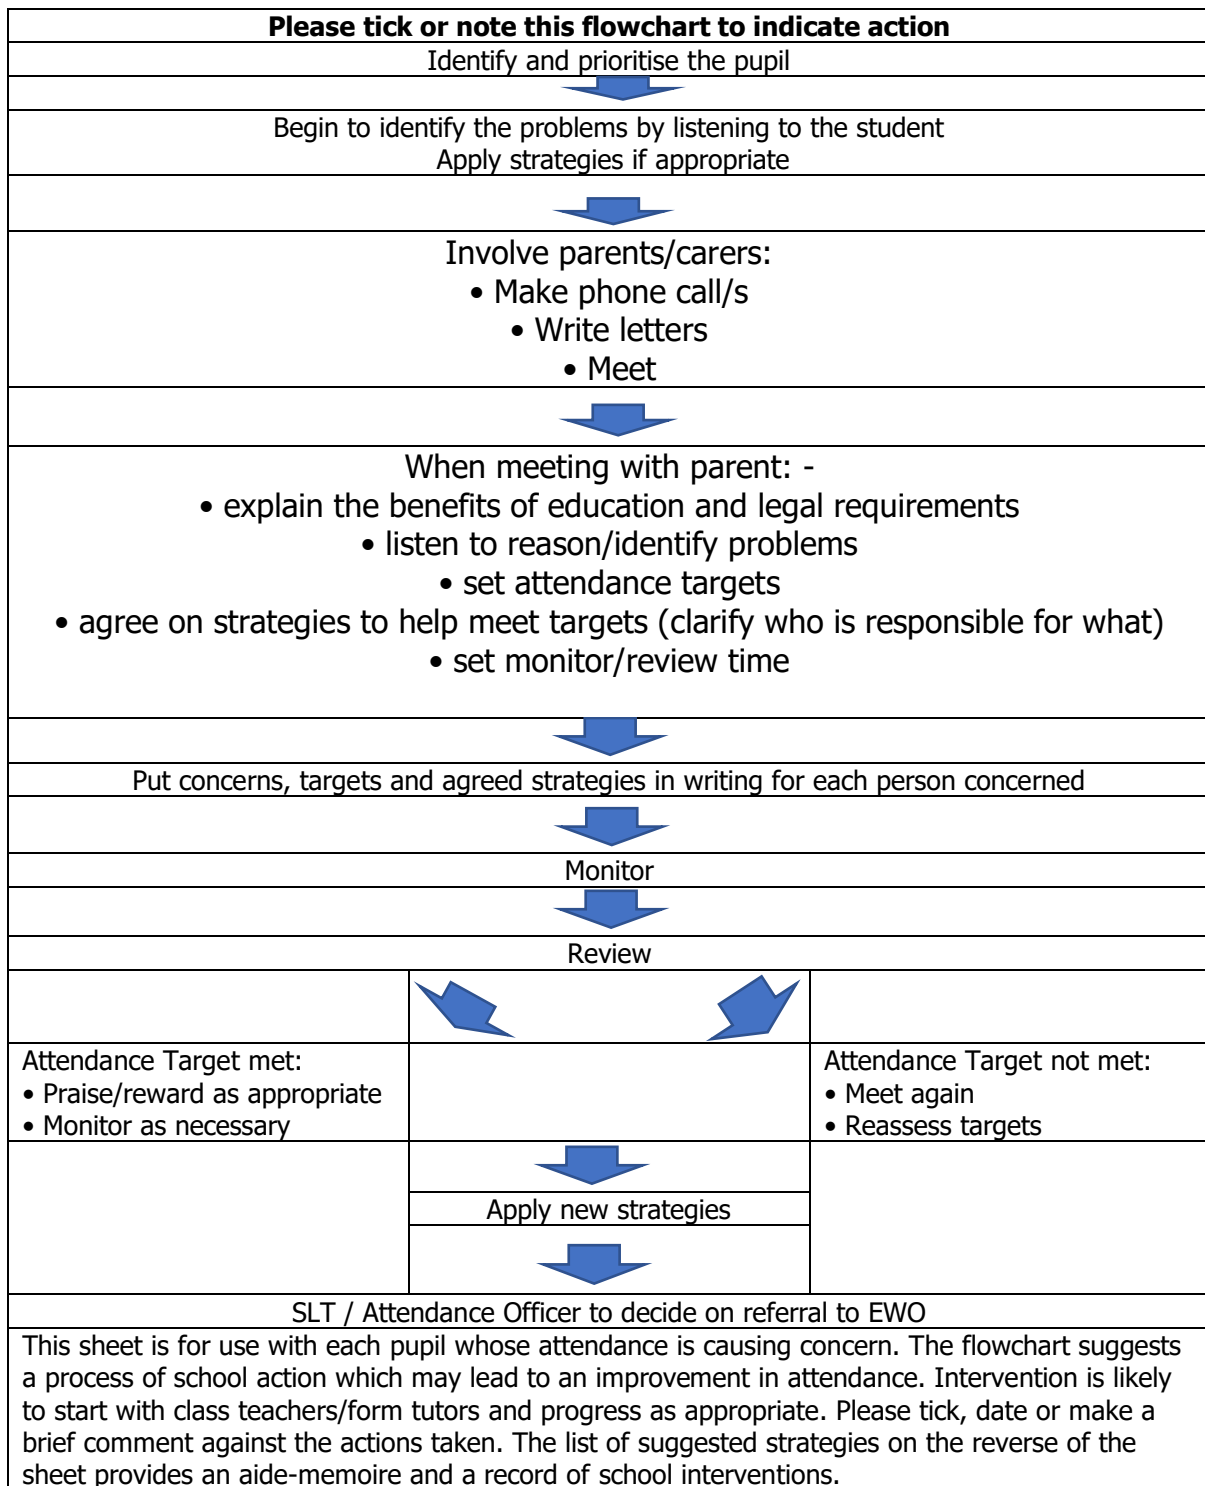

If the religious body has not set the day apart, there is no requirement for the school to approve the absence or grant leave of absence.

Individual religions and their religious observance are too numerous to detail in this document.

Parents should contact the school to request leave of absence for all religious observance.
