

## Admissions Arrangements for 2021/22 entry

### Introduction

This policy sets out how Avanti Gardens School manages admissions applications and makes decisions on offering school places.

If you have questions about school admissions or if you would like to discuss your own particular circumstances, please contact the school office:

Telephone: 0117 965 9150

Email: [avantigardens@avanti.org.uk](mailto:avantigardens@avanti.org.uk)

Full information about the school is available at <https://avanti.org.uk/avantigardens/>

### Legal information

These Admission Arrangements comply with the requirements of the 2014 School Admissions Code and the 2012 School Admission Appeals Code issued by the Department for Education under Section 84 of the School Standards and Framework Act 1998 and are reviewed and published annually by the Academy Trust (the Admissions Authority). If at any time, the Academy Trust should proposed to alter its policy or practice, a public consultation will be conducted in accordance with the statutory requirements set out in the School Admissions Code.

Any concern relating to the statutory compliance of these admission arrangements or the fairness and equality of local policy/practice should initially be raised with the School Office. If the issue cannot be resolved locally, it may be escalated to the Office of the Schools Adjudicator.

## **Contents**

### **1.0 General information**

### **2.0 Applying for a place in Reception for September 2020**

### **3.0 Changing School – applying for an in-year transfer**

### **4.0 Oversubscription Criteria**

### **5.0 Appeals**

### **6.0 Key contact details**

### **Appendix A: Glossary and definitions**

## **1.0 General information**

### **1.1 The School**

Avanti Gardens School will be a primary school for children aged 4 -11 from September 2020.

### **1.2 Who can apply for a place at the school?**

A school admission application may be submitted by anyone who has parental responsibility or legally assigned responsibility for a child in his or her care (referred to throughout this document as 'the parent').

### **1.3 The child**

At the time of application, the child must be a UK citizen, or have European Economic Area Citizenship, or hold an appropriate Home Office Visa entitling him or her to live in the UK.

### **1.4 The Home address**

An admission application will be considered using the home address at which the child lives for the majority of his or her time, with the person or people who have legal responsibility for this child. This address must be given on the application form.

When a school place is offered on the basis that a child lives at a particular address, the school will ask for proof of address, such as a driving licence or Council Tax bill. If this is not provided, the school may withdraw the offer of a place.

If the child will be moving to a new address in the near future and the applicant wishes this to be taken into account, the child's current home address must be given on the application form.

The parent should then send evidence of the new address directly to the school and before the deadline for applications (see 2.2 below). The only acceptable forms of evidence are a copy of the 'exchange of contract' document (when buying a house), or a copy of the tenancy agreement (minimum six month term) signed and dated by the Landlord for the property. The tenancy agreement can be future dated but must cover the date when the child would start at the school.

Applications submitted on behalf of children of UK service personnel and other Crown servants (including Diplomats) will be considered on the basis of a future UK address, providing that official confirmation of the posting to the area, including a relocation date, is sent to the school at the time when an admission application form is submitted.

### **1.5 Siblings**

The oversubscription criteria set out in section 3.5 (below) give priority to children with a sibling attending the school at the time of application. If a parent wishes a sibling to be taken into account, the sibling's details must be provided on the admission application form and he or she must be a full, half or adoptive brother or sister, or a child living for the majority of his/her time (more than 2.5 days every school week) within the same family unit and at the same home address.

The Published Admission Number will be exceeded if necessary so that multiple birth siblings can be offered places at the same school.

### **1.6 Applying for a year group other than the child's 'natural' age group**

In general, the school expects all children within a class to fall within the normal age group for that class. The school expects teaching staff to be able to meet the needs of the full range of abilities and developmental stages that might be expected to be seen within an age group. However, the school accepts that in some cases there are specific educational reasons why a child should be educated within a different year group to their natural age group.

Avanti Schools Trust I is responsible for making the decision on which year group a child should be admitted to, based on the circumstances of the case. Applications for children to join Avanti Gardens School out of their natural year group will only be accepted if there is a clear educational reason for this.

The school recognises four sets of circumstances in which out of year admission might be desirable:

1. Where a child was born prematurely, such that their due date falls into one age group but their actual birth date falls into another group.
2. Where a child is currently being educated out of their year group in another setting.
3. Where, for reasons of specific developmental issues or special educational needs, the school considers that a child would benefit from being placed in a different year group. However, in general, poor educational progress or social and emotional adaptation are not good reasons for a child to be educated out of year.
4. Where a child is summer born (date of birth between 1<sup>st</sup> April and 31<sup>st</sup> August) and the parents have deferred starting school for a full year (see 2.8 below) and wish the child to enter Reception rather than Year 1.

If a parent wishes to make an out of year application as part of the normal admissions round for Reception, they must first contact the school, setting out the reasons why this would be in the child's best interests. The school will use the guidelines above and the circumstances of the case to decide whether an out of year application can be accepted.

If the school agrees to accept an out of year application, a confirmation letter will be provided to the parent(s) which should be passed on to the local authority when submitting the admissions application.

If a parent wishes to make an out of year application when applying for an in-year transfer, as much information as possible should be provided when applying, to explain why it would be in the best interests of the child to be educated in a different year group.

If an out of year application is accepted, this does not guarantee a place in the school; it simply allows the application to enter the normal admissions process.

If an out-of-year application is refused by the trust, there is no right of appeal. Out of year applications are accepted strictly at the trust's discretion.

### **1.7 Waiting lists**

If an admission application is refused because the year applied for is full, the child's name will be entered onto a waiting list for that year group. Children's names are held in ranked order according to the oversubscription criteria.

Children's names will be held on waiting lists until the school is informed by the parent(s) that they wish to remove them from the list.

When a parent makes an in-year application for a school place, the child will be added to the waiting list. Each time a child's name is added, the waiting list will be re-ranked. If a place becomes available in the appropriate year, this will be offered for the child ranked highest on the waiting list at that time.

### **1.8 Misleading or false information**

If the school becomes aware that a place was offered for a child on the basis of misleading or false information, it will consider withdrawing that offer. The school may also withdraw a place where a child has already started to attend the school.

If the decision is taken to withdraw the offer or place and the applicant's circumstances subsequently change, the application will be reconsidered according to any new information.

## **2.0 Applying for a place in Reception for September 2021**

### **2.1 The Published Admissions Number (PAN)**

The PAN for Reception is 60. This is the maximum number of places that can be provided, based on the space and resources that the school has.

If 60 or fewer Reception applications are received for September 2021, every applicant will be offered a place for their child.

If more than 60 applications are received, the Admissions Authority will apply the oversubscription criteria in order to rank all the applications and determine which children should be offered places.

Further places will be offered if the school's facilities and resources increase at any time to enable this.

### **2.2 Submitting an application for Reception**

For a child to start school in September 2021, his or her parent(s) must complete the Common Application Form (CAF) available from the 'home' local authority – the local authority for the area in which the child lives.

In order for the application to be considered as 'on time' the CAF must be submitted to this local authority by 23.59 hours on 15 January 2021.

The Common Application Form should be filled in using the home local authority's 'on line' application system. A paper form can also be requested. Full details about the application process and information about the schools in the local authority area are explained in the 'Composite Prospectus', which local authorities must publish by 12th September each year.

For families living in Bristol, the home local authority is Bristol City Council

**[www.bristol.gov.uk/schooladmissions](http://www.bristol.gov.uk/schooladmissions)**

Some areas near to the school fall within South Gloucestershire, and the home local authority is South Gloucestershire Council.

**[www.southglos.gov.uk/education-and-learning/schools-and-colleges/school-admissions/](http://www.southglos.gov.uk/education-and-learning/schools-and-colleges/school-admissions/)**

### **2.3 Late Reception applications**

If an application is submitted to the home local authority after the application deadline of 23.59 hours on 15th January 2021, it will be considered as a 'late' application and will not be processed until all 'on time' applications have been processed, at which point there may no longer be a place available at the school.

### **2.4 Notifying parents about admissions decisions.**

Parents will receive an admission decision in writing from the home local authority on or about 16 April 2020, according to the procedure set out in the local authority's Composite Prospectus.

### **2.5 Education, Health and Care Plan**

Following Local Authority statutory consultation processes, a place will automatically be provided in Reception for any child who has an Education Health and Care Plan (EHCP) which names Steiner Academy Bristol as the most appropriate school for the child.

If, following statutory consultation, the EHCP is issued during the normal admissions round, the place will be allocated within the Published Admission Number (PAN) before the consideration of any other applications.

If, following statutory consultation, the EHCP is issued outside the normal admissions round, the school will provide a place for the child regardless of whether the PAN has already been met.

### **2.6 Starting school on a full or part time basis**

Where a child has been offered a place in Reception, a parent may choose for him or her to start full time from the beginning of the school year, or to attend on a part time basis until the start of the term following the child's fifth birthday.

Parents interested in this option should discuss it with the school as soon as possible once a place has been offered.

## **2.7 Deferred entry to school**

Parents may choose to defer a child's entry to school until statutory school age, which is the start of the term following the child's fifth birthday. A place cannot be deferred beyond the beginning of the last term of the school year (Avanti Gardens School operates a six-term year).

Parents interested in this option should discuss it with the school as soon as possible once a place has been offered.

## **2.8 Applying on behalf of a summer born child (born 1<sup>st</sup> April – 31<sup>st</sup> August)**

Parents of 'summer born' children entitled to start school in September 2021 may choose to delay their entry to school until September 2022, if the parents consider this to be in their children's best educational interests. Parents may also choose to apply for children to join Reception in September 2021 rather than Year 1 and the school will accept such applications (see 1.6 above).

**However, there is a risk attached to this approach, which the parent(s) must be clear about. A new application must be submitted for a place in September 2021 and there is no guarantee that a place will be available.**

The following process should be followed.

1. The parent(s) must submit an application to the home local authority during the 2021 'normal' admissions round, making it clear in the text box on the application form that he or she wishes to delay the child's entry until September 2022. Where the intention is for the child to start in Reception in 2022, this must also be clearly stated on the form. The school will acknowledge this and will not process the 2021 application. The child will no longer be part of the 2021 'normal' admissions round.
2. If the intention is for the child to join Reception in September 2022, the parent(s) must then wait and make an entirely new application through the home local authority as part of the 2022 'normal' admissions round.
3. The application for a place in 2022 will be considered as part of the 'normal' admissions round and the school will use its published Oversubscription Criteria to rank applications and determine which children should be offered places.
4. If the September 2022 Reception application is refused, the right of appeal will apply.
5. If the intention is for the child to join Year 1 in September 2022, the parent will need to make an in-year application for this place. If the class is already full, the child will be placed on a waiting list, which will be ranked according to the school's Oversubscription Criteria.

## **3.0 Changing school (applying for an in-year transfer)**

### **3.1 The Admission Limit**

The statutory Published Admission Numbers apply only for Reception. For every other year, the school's Admissions Committee will agree a non-statutory admission limit as a guideline to the number of places available. Admission limits will be set according to the space available, the needs of the children and the resources required to support the children. Therefore, admission limits may be varied from time to time and so the number of places available may vary.

### **3.2 Submitting an application for an in-year transfer**

Applications for in-year transfers can be submitted at any time but will only be administered during school term time and within six term-time weeks of the place being required, unless the application is for a child from a Service family or the parent is a Crown Servant. In these circumstances, an application may be considered further in advance, where a posting to the area/relocation date, is confirmed in writing by an appropriate Commanding Officer and submitted as part of the application.

The in-year transfer application form is available on the school website and as Appendix 'C' below. A paper copy can also be provided via the school office.

### **3.3 The decision**

On receiving a signed and dated in-year transfer application form, the Admission Authority will evaluate whether a place can be made available without prejudicing 'the efficient delivery of education or the efficient use of resources'. The decision will be sent in writing within ten school days of the school receiving the in-year application form.

### **3.4 Accepting the offer of a place**

When a place is offered, the parent(s) will be expected to confirm acceptance in writing (by letter or email) within ten school days, following which the place will remain available for six school weeks from the date of the decision letter. If the child does not start at the school within this period, the school may withdraw the offer.

### **3.5 Applying the Fair Access Protocol**

Where an in-year place cannot be provided, the school will consider the information provided on the admission application form against the criteria set out in the Bristol City Council Fair Access Protocol (FAP). If the child concerned satisfies any of the FAP criteria, the in-year transfer application will be referred to the Council, which may then choose to engage with the family in order to identify a suitable educational placement.

### **3.6 Children issued with an Education, Health and Care Plan**

If a child has an Education Health and Care Plan (EHCP) in place, which names a particular education setting, the parent(s) should consult the local authority that issued the EHCP before applying for the child to change school.

## 4.0 The Oversubscription Criteria

### 4.1 Oversubscription

If there are more applications received at any one time than there are places available within the year group (oversubscription), the school will use the oversubscription criteria set out below to rank all applications. The oversubscription criteria will also be applied when it is necessary to determine the ranked order of a waiting list.

### 4.2 The oversubscription criteria

1. Children Looked After, previously looked after children and children who appear (to the admission authority) to have been in a state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling attending the Academy at the time of application (see Note 1 below)
3. Children of staff (see Note 2 below)
4. Children not satisfying a higher criterion.

**A Supplementary Information Form must be completed and submitted to the school where the applicant wishes a child to be considered against criteria 1, 2, or 3 See 4.5 (below) for details.**

#### Note 1

A “looked after child” means any child who is in the care of a local authority or is being accommodated by a local authority in the exercise of their social services functions as defined in section 22(1) of the Children Act 1989. A child who was “a previously looked after child” means a child who was looked after but ceased to be so because they were adopted, became subject to a child arrangements order (defined by Section 8 of the Children Act 1989 as amended), or became subject to a special guardianship order (defined by section 14A of the Children Act 1989). A child who appears to have been in state care outside of England means a child who was in the care of or was accommodated by a public authority, religious organisation, or other care provider whose sole or main purpose is to benefit society. Relevant evidence may be required to be submitted (as per section 2.5 of the 2021 Admissions Code).

#### Note 2

Siblings must be attending the school at the time of application. Siblings of those who have been offered places but who have not yet started to attend the school are not covered by this criterion.

A sibling is defined as a full, half or adoptive brother or sister, or a child living for the majority of his/her time (more than 2.5 days every school week) within the same family unit and at the same home address.

The Published Admission Number will be exceeded if necessary so that multiple birth siblings can be

offered places at the same school.

**Note 2**

In this policy a 'member of staff' is defined as being one who was recruited by Avanti Gardens School to fill a post for which there was a demonstrable skill shortage, and who is employed on a salaried contract with contracted working hours of 0.4 Full Time Equivalent (FTE) or more.

#### **4.1 Prioritising applications by distance measurement**

Children will be ranked according to the oversubscription criteria and offers will be made to these groups of children in the order in which the oversubscription criteria are given above.

If the Published Admission Number or admission limit is reached part way through any oversubscription criterion, a straight-line measurement will be calculated between the home address and the school for every child whose application satisfies that particular criterion. Priority for the offer of any remaining places will be given to the children who live the closest to the school.

Distances will be calculated using Ordnance Survey National Address Base coordinates for the main entrance of the school on College Road and the child's home address, employing a third party software system in order to determine a straight line distance between the coordinates to four decimal places. In the case of a multi dwelling building, such as a block of flats, the home to school distance will be measured from the coordinates of the building and the same distance will apply for all occupants.

#### **4.2 Applying a tie-breaker**

Where two or more distances are exactly the same and it proves necessary to rank the relevant applications in order to identify a priority for the offer of any available place(s), the order of priority will be determined by the drawing of lots. This will take place at the school and be supervised by a person entirely independent of the local authority and the school.

#### **4.3 Supplementary Information Form (SIF)**

Local authority admissions application forms do not collect information on some of the school's Oversubscription Criteria. The school therefore uses a Supplementary Information (SIF) so that parents can let the school know if their child meets one of the Oversubscription Criteria set out above.

The SIF can be filled in online on the school's website and paper versions are available. A copy is also provided in Appendix C.

When applying for a place in Reception or Year 7 as part of the normal admissions round, the SIF must be submitted to the school before the deadline for admissions applications.

When applying for an in-year transfer the SIF is not required, as the school's In Year Transfer application form collects all the relevant information.

### **5.0 Appeals**

#### **5.1 The legal right to an appeal hearing**

The administration of school admission appeals is subject to statutory procedure set out in the 2012 School Admission Appeals Code issued by the Department for Education. A parent whose child is refused admission to the school is legally entitled to appeal against that decision. The refusal letter

issued by the Admissions Committee will explain how to complete this process and an appeal form is available to download from the school website, or can be requested from the school office.

## **5.2 The case for refusing admission**

The Admission authority can refuse to admit a child to the school where a further admission would 'prejudice the efficient delivery of education or the efficient use of resources' or where the admission would breach the Government's statutory Infant Class Size (ICS) Limit, resulting in an infant teaching group of more than 30 children to one qualified teacher for part or all of the school day. In the case of an ICS refusal, specific conditions set out in section 4 of the 2012 School Admission Appeals Code are examined at the appeal hearing by an independent appeal panel and the circumstances whereby an appeal panel may find in favour of an appellant are limited to the appeal panel review of these conditions and the reasonableness of the decision.

## **5.3 The appeals timetable**

An appeals timetable is published on the school website by 28 February each year. This sets out the statutory time frame within which an appeal hearing must take place as well as the administrative timeframe within which the Admissions Authority undertakes to process any appeal lodged with the school.

## **5.4 Complaints about the administration of the appeals process**

The decision of an independent appeal panel is binding on all parties. However, where there is concern that the appeal process has not been properly administered in accordance with the 2012 School Admission Appeals Code, a complaint may be raised with the Education Funding Agency

## **6.0 Key contact details**

### **Monitoring and Review**

We continually review our practises to ensure that we are fully implementing our policy. We are developing ways to be able to report on our successes.

<b>Appendix A - Glossary and definitions</b>	
<b>The 'normal' admissions round</b>	The period during which parents are invited to express a minimum of three preferences for a place at any state-funded school, in rank order on the common application form provided by their home local authority. This period usually follows publication of the local authority composite prospectus on 12 September, with the deadline for parental applications of 31 October for secondary places (15 January for primary places) and subsequent offers made

	to parents on National Offer Day
<b>In-year admission application</b>	A school admission application submitted in connection with a place required at any time during the academic year. In most cases and where the local authority has chosen not to coordinate in-year applications, the application form will be submitted directly to the school concerned.
<b>Home Local Authority</b>	A child's home local authority is the local authority in whose area the child resides.
<b>Maintaining Local Authority</b>	The area in which a school is located is referred to as the maintaining local authority.
<b>Academy</b>	A State funded school in England, established as a non-profit making charitable Trust, which is independent of local authority control and funded directly by the Department for Education.
<b>Admission Authority</b>	The body responsible for setting and applying a school's admission arrangements. For community or voluntary controlled schools, this body is the local authority unless it has agreed to delegate responsibility to the governing body. For Academies, this body is the Academy Trust.
<b>Admission Arrangements</b>	The overall procedure, practices and oversubscription criteria used in deciding the allocation of school places including any device or means used to determine whether a school place is to be offered.

<b>Published Admission Number – (PAN)</b>	The number of school places that the admission authority must offer in each relevant age group of a school for which it is the admission authority. Admission numbers are part of a school's admission arrangements.
<b>Admission Limit</b>	A non-statutory limit applying to year groups other than the year(s) of entry which indicates the number of places to be offered, usually determined according to the level of resource available
<b>Common Application Form (CAF)</b>	The form parents complete, listing their preferred choices of schools, and then submit to local authorities when applying for a school place for their child as part of the local co-ordination scheme, during the normal admissions round. Parents must be allowed to express a preference for a minimum of three schools on the relevant common application form as determined by their local authority. Local authorities may allow parents to express a higher number of preferences if they wish.
<b>Composite prospectus</b>	The prospectus that a local authority is required to publish by 12 September in the offer year. This prospectus must include detailed admission arrangements of all maintained schools in the area (including admission numbers and catchment areas).
<b>Co-ordinated Scheme</b>	All local authorities are required to co-ordinate the normal admissions round for secondary schools (and primary) in their area. Schools can take in-year applications directly from parents, provided they notify their local authority of each application and its outcome. Each Local Authority must produce and publish a Coordinated Admissions Scheme
<b>Infant Class Size Limit</b>	Section 1 of the SSFA 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of five, six or seven during the school year) to 30 pupils per qualified teacher.  The School Admissions (Infant Class Sizes) (England) Regulations 2012 permit children to be admitted as exceptions to the infant class size limit. These are set out in paragraph 2.15.

<p><b>National Offer Day</b></p>	<p>The day each year on which local authorities are required to send the offer of a school place to all parents of secondary age pupils in their area:</p> <p>For primary pupils, offers are sent out to applicants by the home local authority on or about 16 April. The specific dates will be set out in the home local authority Composite prospectus.</p> <p>For secondary pupils, offers are sent out to applicants by the home local authority on or about 1 March.</p> <p>The specific dates will be set out in the home local authority Composite prospectus.</p>
<p><b>Offer Year</b></p>	<p>The school year immediately preceding the school year in which pupils are to be admitted to schools under the admission arrangements in question. This is the school year in which the offers of school places are communicated.</p>
<p><b>Out of year application</b></p>	<p>This is an application for a child whose date of birth falls outside the normal age range for the class concerned. The normal range of dates of birth is between 1<sup>st</sup> September and 31<sup>st</sup> August for the relevant year.</p>
<p><b>Oversubscription Criteria</b></p>	<p>This refers to the published criteria that an admission authority applies when a school has more applications than places available in order to decide which children will be allocated a place.</p>
<p><b>Reception Class</b></p>	<p>Defined by Section 142 of the SSFA 1998 as a class in which education is provided which is suitable for children aged five and any children who are under or over five years old whom it is expedient to educate with pupils of that age.</p>
<p><b>Relevant Age Group</b></p>	<p>The age group to which children are normally admitted. Each relevant age group must have admission arrangements, including an admission number. Some schools (for example schools with sixth forms which admit children into the sixth form) may have more than one relevant age group.</p>

<b>School Year</b>	The period beginning with the first school term to begin after July and ending with the beginning of the first such term to begin after the following July, as defined by Section 579 of the Education Act 1996.
--------------------	--
