Dear Parents and Carers,

**Wraparound Care**

We are in the process of setting up a partnership with Oldbury Court Out of School Clubs (OCOSC), who are a not-for-profit organization, to create an affordable wraparound care club at Avanti Gardens School. We are planning to have a breakfast club before school as well as an after-school club, to better support working families in our community.

We have been working with the OCOSC to create a space that is dedicated for wraparound care and we are now just awaiting the Ofsted approval before the club will be open for parents to register. We anticipate that the club will be ready from the beginning of Term 4, after the February half term break.

In the meantime, should you require wraparound care, you can still make bookings with OCOSC. They have a walking bus to bring children to school in the mornings and one at the end of the school day to take them to the main club site.

We will update you again once the Ofsted approval has been received and bookings can be made.

Many thanks,

Avanti Gardens School
