19<sup>th</sup> November 2020

Dear Parents/Carers,

I wanted to take this opportunity to let you know in advance that we are making some improvements to our timetable. The majority of the changes involve the secondary school timetables. We are making these changes to ensure that subjects are divided more evenly across our two week timetable, and although days and times of some lessons may change, teachers will remain the same.

Students will be given their new timetables today (Wednesday 11/11/2020) so they can prepare for these changes, which will take effect from Monday 15<sup>th</sup> November.

Best wishes

Phil Arnold
