8<sup>th</sup> December 2020

Dear Parents and Carers,

I wrote to you earlier today to let you know that we have had a confirmed case of COVID 19 in our school community. The details in that letter were provided by Public Health England and remain the most up to date guidance on COVID 19 in the UK. As a result, all students in Year 9 have been asked to self-isolate for the guided 14 days, along with two members of staff.

We have taken all the precautions needed to ensure that the school is safe and can remain open for all other year groups. Year 9 will have lessons delivered remotely and further updated information on how to do this will be shared directly with those parents and students later this afternoon to ensure learning can continue for the remainder of term.

Thank you for your understanding and your continued support for Avanti Hall School.

Best wishes

Phil Arnold
