

17 March 2021

Dear Parent/Carer,

Pupils will be moving to twice weekly, rapid COVID-19 testing at home from today. This is following their first three supervised tests on site at school/college.

Up to 1 in 3 people who have COVID-19 have no symptoms and could be spreading it without knowing. Getting into a regular habit of testing twice a week will help stop the virus spreading, keeping your family and friends safer.

Where pupils have been part of the on-site testing we will be sending home COVID-19 testing kits with your child today. Please make sure your child tests themselves **twice a week on Monday and Thursday, in the morning before school if possible and, if not, the evening before.**

Your child should also **continue testing twice a week, at home, throughout the Easter school holidays.** We will be sending home extra kits for Easter holiday before term ends.

If your child has not been tested at school yet and you wish to partake in the testing at home arrangements, then please get in touch with us through our [on-line consent form](#) so that we can arrange a time for them to be tested on site, before beginning home testing.

This does not replace testing for those with symptoms. If you have symptoms you must [self-isolate immediately](#), [book a PCR test](#) and follow [national guidelines](#).

Reporting results

It is really important that results of tests are reported online straight away, even if your child's result is negative or void. It's easy to do at www.gov.uk/report-covid19-result.

Results can also be reported via telephone by calling 119 (free from mobiles and landlines). Lines are open every day, 7am to 11pm.

It is important to keep a note of your child's results and share with the school by completing the school's on-line Returns Form which can be located on the school's [COVID-19 website page](#).

Testing for parents, households and bubbles twice a week

A reminder that regular rapid testing is now also available for parents, their households and support or childcare bubbles. The government is encouraging all families to participate in twice weekly testing to help stop the spread.

Parents and other adults in the household can access tests by:

- Ordering tests online www.gov.uk/order-school-household-tests

Avanti Schools Trust is a private company limited by guarantee and an exempt charity, registered in England and Wales under company registration number 07506598 with registered address: Avanti Schools Trust, c/o Avanti House School, Wemborough Road, Stanmore, Middlesex. HA7 2EQ. VAT registration number: 122 8491 20

"Avanti Hall School" is an academy school within the trust, and is effectively a trading name of the trust.

- Getting an assisted test at work, if it is available
- Attending a test site to get tested (where you will be able to see how to take the test) or pick up tests to do at home.

To find out more on school household testing visit [Households and bubbles of pupils, students and staff of schools and colleges: get rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/households-and-bubbles-of-pupils-students-and-staff-of-schools-and-colleges-get-rapid-lateral-flow-tests)

AS a school we continue to encourage everyone to take part in regular Covid-19 testing and we appreciate the support of parents, pupils and staff in continuing to make our school as Covid-safe as possible.

Best Wishes,

Adrian Hilliard
Business Manager / Covid-19 Coordinator,
Avanti Hall School
