

## Parking Rules for Drop-Off and Pickup at School

### Parking notes:

Only drop off/pick up on West Garth Rd between the school and Roundhill Close (use the triangle to turn around)

Do not park in narrow residential roads indicated red on map

Do not stop in Bus Stops or where you might block a Bus Route

There are limited 2 hour spaces on Cowley Bridge Rd, for those who need to park a little longer than 10 minutes

Discretionary parking time in a residents parking zone (when picking up a child from school) starts when you arrive, not when you get out of the car

Permit parking only on school site

**Please respect our parking rules to keep our children safe**

These Parking Rules are the result of discussions with Devon County Highways, Devon & Cornwall Police, Cllr Percy Prowse, and parents at Avanti Hall School. These rules are circulated to all parents of the school and available on the school website.

**Additional Information:**

- Avanti Hall School requests that only parents with Reception, Year 1 & Year 2 children use the lay-by on Cowley Bridge Road at drop off and pick up times
- Avanti Hall School encourages children to be dropped off and walk themselves into school. A member of staff will be positioned at the roadside at the school entrances on West Garth Road at drop off and pick up, and at the Cowley Bridge Road pedestrian entrance at drop off and pick up. This member of staff will ensure that children get into/leave school safely.
- Avanti Hall School will be teaching all children how to cross roads safely as part of the curriculum
