

6th September 2021

Dear parents and carers,

Meet the Tutor

This Friday 10th September we will be finishing school at 12:30pm so that all of our teaching staff can be available to meet you. This is a great opportunity to touch base with your child's teacher/tutor who will be the one greeting your child each morning, and your main point of contact for the year, as well as to share any important information that will help us care for your child.

School lunches will be provided as grab bags on Friday, so if you would like your child to have a school lunch please book through ParentPay in the usual manner.

Appointments to meet your child's tutor can be booked through Arbor's Parent Portal (see attached guidance) and bookings will be open from 6pm this evening to 9:30am on Friday 10th September. If you need any assistance with making your appointment, please contact the school office who will help you. We're looking forward to seeing you all on Friday.

For those who are unable to make an afternoon time slot, there will be parents evenings throughout the year and you are free to contact us at any time to relay any important information about your child.

Best wishes,

Phil Arnold
Principal
