21st October 2021

Dear parents and carers,

In line with the Department for Education contingency framework for managing local outbreaks of coronavirus (COVID-19) in education and childcare settings, and following discussions with Public Health England, I have decided to move our provision tomorrow for **Years 7, 8 and 9** to remote learning as a temporary measure. I would like to reassure you that we are maintaining our cleaning protocols to ensure our school and pupils are safe and secure, and this is a purely logistics driven decision due to staff absence following exposure to coronavirus.

All other year groups are expected in school for normal school opening hours. On-site provision will of course be available for vulnerable children and young people and the children of critical workers.

We will ensure every child can access their Google Classroom today in preparation for logging on to the platform tomorrow. We will need every child to log into the Google Meet at 09:00, where their tutor will give full instructions for the work to be completed for the day.

Thank you for your understanding and continued support for our school.

Best wishes,

Phil Arnold
Principal
