Careers Information Advice and Educational Guidance policy statement:

Avanti Hall School provides our pupils with careers guidance and education at appropriate milestones in their school journey. We commission independent careers guidance through Careers South West in addition to providing resources, information, educational trips and further opportunities for pupils. Careers education is imbedded into our curriculum, and we fully support all students, assisting them with careers and further education/ training choices. We aim to breakdown stereotypes and allow students to consider their best skills, characteristics and ability in their decision process to make a smooth transition to wherever life takes them after 'Avanti'.

Pupils will receive:

- Encounters with an employer, at least once per year (Years 7-11)
- Pupils will undertake a week long work experience placement (subject to covid restrictions/may be virtual) (Year 10)
- Access to a range of education/training providers, informing them of approved education qualifications or apprenticeships (Years 8-11)
- Independent careers advice (Years 9-11)

FE information 'Baker Clause'

Avanti Hall welcomes the opportunity for students to hear from external Further Education providers including vocational courses post 14 and post 16. Providers should contact the school to discuss suitable arrangements. These must be in line with school guidelines and sufficient notice will need to be given. This will allow our pupils to make a clear decision on their future. Pupils have access to a range of external prospectuses in the school pastoral office, open days are promoted, and external providers are recommended during their careers interviews.

Contacts: Careers Coordinator: Mrs N. Evans

Careers Advisor: Oliver Jenkins (Careers South West)

Principal: Mr P. Arnold

Review Date: September 2022

Opportunities for access

A number of events, integrated into our careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

All pupils receive a specific Focus Day on careers education that will support their understanding of the skills and attributes needed for different fields, along with presentations and taster sessions led by local and national employers. Pupils also receive a second Focus Day on STEM subjects and careers education.

Please speak to our Deputy Principal to identify the most suitable opportunity for you.

These events will run in line with our school's COVID-19 safety measures and will depend on national restrictions at the time.

Safeguarding

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

Premises and facilities

- The school will make the main hall, classrooms or meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available audio visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.
- Providers can leave prospectus and promotional material for pupils to read.
- All visitors are asked to follow our COVID health and safety guidance.

Monitoring arrangements

The school's arrangements for managing the access of education and training providers to students are monitored by Roy Evans, Deputy Principal

This policy will be reviewed by Phil Arnold, Principal and Roy Evans, Deputy Principal in September 2022.

At every review, the policy will be approved by the School Stakeholder Committee.
