

PE & SPORTS ACTION PLAN 2015-2016

Priority:

- To improve the provision of PE across the school
- To effectively use Sports Funding Grant to make sure children access new learning experiences within PE and have equal opportunities to take part
- To create a healthy school community – with children who enjoy and choose physical activities
- To provide challenging and engaging physical activities to impact on healthy life styles

Context: Avanti House is a developing all through school in its fourth year. The primary phase of the school comprises of EYFS, KS1 & KS2 learners. The school is now housed on its permanent site. Foundation subjects including PE is an area for development to improve the facilities, improve quality of teaching and create a positive healthy school culture with high expectations.

| Year | Funding per pupil (from reception) | Amount allocated to Avanti House School |
|-------------|------------------------------------|---|
| 2014 - 2015 | £5 | £8305 |
| 2015 - 2016 | £5 | £8580 |

In 2015-16 the school will provide further funding from the schools budget of £1500

| Actions | Expected Outcomes | Start date | What this will mean for the children? | Responsibility and Monitoring | Costs 15/16 | Review/Next Steps |
|--|--|-------------------|---|--|-----------------------------------|--|
| Purchase resources to enrich/develop PE teaching (as it is very limited at the moment due to the temporary nature of the site) Purchasing of the equipment to take place over the summer of 2015-16 following the completion of the hall. | Teachers use a wider range of facilities to provide an engaging curriculum. | August 2016 | The children will have access to equipment to support engagement and learning. Primarily Gymnastics based equipment. | Class teachers monitored by Head of PE and Assistant Principal (Primary phase) | £3000 | All pupils have access to a better standard and more varied range of equipment for the teaching of the PE curriculum. Gymnastics equipment required upon the completion of the new school hall. |
| Lesson observations to be carried out during PE lessons using Ofsted descriptors | Improved monitoring practices which will be used to inform teaching and learning practices. | Spring | Improved learning experience and increase in opportunities for progress | Head of PE and Assistant Principal (primary) | £200 per day cover time (10 days) | Increase in confidence, skills and knowledge of staff came from observation and feedback. |
| Cricket Coaching for Year 2 & 3. | Opportunities for the children of Year 2 and 3 to improve skills and technique with a specialist cricket coach. | Summer 2016-16 | Increase in students confidence and skills in playing Cricket | Head of PE and Assistant Principal (primary) | £600 | All pupils from Year 2 and 3 benefitted from specialist sports coaches during the Summer term. As a result Stanmore cricket club set up links with families to attend Stanmore cricket club. |
| Leadership Mentoring | To provide an engaging sports day with high active learning time to facilitate a more developed primary and secondary link | Autumn | The scheme has proven very successful in previous years; it also provided secondary students with leadership opportunities. | Head of PE and Assistant Principal (primary) | Travel costs £600 | A high quality sports day was delivered on the site of the Secondary school. Parent and pupil voice was very positive. |
| Competition | To provide in school | Summer | Avanti House | Assistant Principal | £800 | Due to logistical issues the |
