

Dear Year 1 Parents,

As the academic year has been cut abruptly, we have provided questions that will help your child to revise and consolidate what they have already learnt. Remember that they will need to continue to practise similar questions regularly.

Thank you, Miss Patel and Mrs Peshawaria

Addition & Subtraction Families (1)

Name: _____

Date: _____

Use dice to make an addition number sentence	Undo the addition using subtraction	Swap the numbers in your addition to make a new addition fact	Undo your new addition sentence using subtraction
$4 + 6 = 10$	$10 - 6 = 4$	$6 + 4 = 10$	$10 - 4 = 6$

Now, try these:

$4 + 16 = 20$			
$3 + 17 = 20$			
$2 + 18 = 20$			
$1 + 19 = 20$			

Use fingers, counters or number lines to support them with this activity, if they require it.
