

Summer 1 PRE Project 2020

What do you need to do?

Make a presentation on **Lord Narasimhadev in relation to protection** and specifically how he protected his dear devotee Pahlada Maharaj. We may not be able to celebrate the appearance of Lord Narasimhadev together due to lockdown and so this would be a nice way to honour Him and an opportunity for us to share what we have learnt. The principle objectives of this presentation should consider the following questions:

- How can you Apply Pahlada's learning experiences to your own?
- What can we learn from Pahlada during dangerous times?
- How does the topic of Protection link to the current situation that we are in?

For Year 5 and 6 – additional task is to include a study of Pahlada Maharaj's teachings to his friends.

Project Requirements

- A powerpoint, no more than 20 slides or a video using packages such as movie maker.
- If you do not have access to a computer, you can make either an informative poster (answering the questions above) or a leaflet.
- 3D project (optional) creating an object that represents protection.
- All children should be prepared to present their work, when we return to school so please use this opportunity at home with your parents/carers to practise presenting your work whether it be a powerpoint/video or a poster/leaflet.
- Make your project colourful and please include pictures.

Due back:

TBC based on Government guidance, but please use this term to create your project.

Best Wishes

Mr Ananda and Mr Koorichh
