

Summer 2 Project.

Our new topic for Summer 2 will be 'Changes'.

Project: Create a timeline of how you have changed from when you were a baby, until now.

At the end of your timeline, include what you would like to be when you are older and why (eg: I want to be a teacher so I can help children).

We request all projects to be submitted on EEXAT. You can be as creative as possible; do a video timeline or picture collage.

Due: 8/6/20
