

Dear children, this half term, we are looking at the topic 'My World and Me'. Today's task is to go through the slides and understand a little about your world. Then look at the Fact cards below. Can you write at least 5 true facts in one column and 5 false facts in the other column. Challenge: You can try to put all these facts in either the true or the false column. Use the slides to help you. You can write them in the True and False column below or on the Google Doc sheet provided. Thanks

My World and Me	Fact Cards
Ecuador is on the equator.	There are no volcanoes in Ecuador.
