

Toys Past and Present

Today we will be...

Describing how toys are different and how they are the same.

Some toys have always been popular but they change a bit as time goes on and fashions change. These pictures all show girls with dolls. Can you be a history detective and work out which photo is the oldest, which is the most recent and which is in the middle?

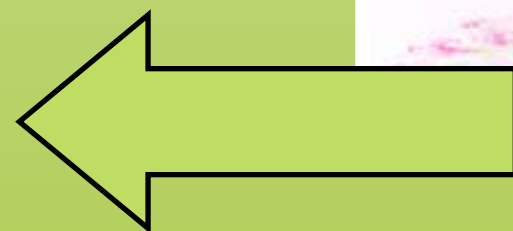

This is the oldest photograph. It was taken around 1900.

This photograph is in the middle. It was taken in the 1950s.

This is the most recent photograph. It was taken in 2010.
