*By Xavier Vara 2PP*

This Thursday 2nd  
April 2020,  
it is the birthday of  
**Lord Rama.**

Lord Rama is the  
**7th incarnation**  
(which means to be  
born again)  
of **God Vishnu.**

Lord Rama is the hero of an amazing story called '**The Ramayana**'.

The story is about Lord Rama saving his wife **Sita** from the *evil King Ravana, Lord Lanka*.

**Hanuman** helped Lord Rama to defeat King Ravana.

After the victory, a 10 day festival known as '**Dussehra**', marks his return to his kingdom and coronation is celebrated with '**Diwali**', the festival of lights.

Hindus believe that Lord Rama lived  
**1.2 million years ago!**
