

## **Behaviour strategies during phased re-opening of Avanti House Primary School**

All pupils will continue to adhere to the school's behaviour policy; however, it is recognised that during this period of phased re-opening, with the risk of transmission still present within the community, the need for additional expectations to keep children safe is essential. When attending school, pupils must follow the rules and expectations outlined below. This will help to maintain the health and wellbeing of everyone in our school and wider community:

### *Expected behaviour in classrooms:*

- We will continue to respect each other's space and belongings.
- We will continue to respect each other's opinions; not calling out or speaking over each other.
- We will stay at our workstations and only be mobile around the classroom unless asked by an adult.
- We will eat our lunch at our workstations and honour our prashadam respectfully.
- We will keep our personal belongings at our workstation.
- We will maintain a safe distance from others between and during lessons.
- We will work in groups no larger than 2, maintaining our distance.
- We will always avoid physical contact, no hugging or touching etc.

### *Expected behaviour when moving around the school:*

- We will always remain within our group or 'bubble' and will only be seen separate if instructed by an adult.
- We will use the toilet designated for our specific learning group.
- We will maintain a safe distance from others when moving from the classroom to the outdoor area by using the signs and markings on the walls and floor.
- We will line up sensibly.
- We will listen carefully to the adult's instruction.

### *Expected behaviour during break times:*

- We will stay within our group or 'bubble' respecting social distancing.
- We will not play contact sports or physically interact with other children/staff.
- We will respect each other's space when lining up, maintaining a 2-metre distance.

### *Expected behaviour at home time:*

- We will wait patiently and quietly in our lines.
- We will listen out for our name or keep a look out for our adult.
- We will stay within our group or 'bubble' until collected by our parent/carer.

### *Hygiene:*

- We will use hand sanitizers to disinfect our hands when entering and leaving the classroom and before and after lunch.
- We will regularly wash our hands for at least 20 seconds using soap/hand wash.
- We will sanitise our learning space after lunch.
- We will not share our personal hand sanitiser with others.
