Kew the question

In 2015 world leaders met to agree on goals to make the world a better place for everyone, now and in the future. They want this to happen in the next 10 years.

One of these goals is ZERO HUNGER – that no one around the world goes hungry and everyone has enough food to eat.

Watch this video to find out your challenge.

<https://www.youtube.com/watch?v=T7WimIoVBTk>

After the video, head to the next slide to take part in an activity

Activity 1

Watch and learn

Did you know there is enough food to feed everyone in the world, but it is not shared out fairly?

Click on the picture to watch the video to learn more and test your knowledge.

Activity 2

Zero hunger discussion cards

Have a look at the images on the next few slides and talk about them with your adults at home.

FOOD WASTE

This food is being thrown away.
How do you think we could stop
this so there is enough food for
everyone?

CLIMATE CHANGE

Some countries are becoming wetter and others are becoming hotter and drier.

How does this make it hard for some people to get enough food?

POVERTY

Some people do not have enough money to buy food, or cannot afford food with the right nutrients. Is there anything that could be done to help them?

WAR

How do you think fighting stops people getting enough food?

The challenge

Now that you have learned lots about food and hunger, you're ready to take on the challenge!

On paper, write an answer to the question:

What can you do to end hunger around the world?

Decide some things that you can do with your adults. Then describe at least three ways to end hunger in detail. Be creative by using lots of descriptive words, noun phrases, different sentence types and to make it interesting. This work should be done on paper in your best possible handwriting. Take your time as this work is not due till the 11th of June. We look forward to reading your ideas.

Top tips

- Use the internet to find out about different ways we can achieve this goal – we've included some useful links to help
- Tell your adult or a sibling what you are going to write and discuss it with them.

All done?

Well done for completing the challenge!

We hope you enjoyed helping to raise awareness of the global hunger issue.
