

Tuesday 23<sup>rd</sup> June 2020

Dear parents, carers,

I hope that you continue to stay well, the country is now preparing to regain a sense of 'normality' and we will find out from Boris Johnson, later today, what that will mean for us and in particular what that will mean for schools. However, our prime focus is on the continuous safety and wellbeing of all our children and staff, whether they are teaching and learning in school or continue with remote teaching and learning. As we do return to a sense of normality please do continue to remain alert and continue to follow safety measures.

We are now in our second week of opening to the three priority groups including our Key Worker children, it is great to see so many children back in school and being able to hear their laughter is indeed uplifting! Our numbers are increasing each week, so please remember to inform the School if you wish to send your child to school, if they are in Reception, Year 1 or Year 6, by 3pm on Wednesday.

As a school we have been reviewing our risk assessment and the strategic opening plan, any amendments will be clearly communicated to you separately but will also be updated on our school website. As of week beginning Monday 29<sup>th</sup> June we have amended the time slots for pick up, please see below.

## **Black Lives Matter-All Lives Matter**

Week beginning Monday 29<sup>th</sup> June, our children will embark on a journey that will help shape and define their character, our deep discussions and debates will provide them with the foundations of beginning to understand who they are and what their role is in society. Our teachers will skillfully support children to think deeply, to think critically and finding connections that tether ideas for the future.
