

Dear Year 6

Hare Krishna,

I am really excited to be able to speak with you all in this way.

You have all been on an incredible journey with Avanti, you and your parents have shown loyalty, integrity and sheer resilience for which I am grateful for.

Those of you who began your journey with Avanti from reception, will remember the times where you were moved from one place to another, no where permanent to call home, but here we are in 2020, you have reached the end of an amazing journey with us and I am so proud of each of you for continuing to show the same determination, integrity, loyalty and resilience.

This has not been an easy year due to the pandemic and no doubt in years to come you will remember your final year with us as the lockdown year but you will also look back and remember the new skills you learned the new virtues you developed and how you bonded with your family.

You are now embarking on the next chapter of your life, ahead of you, you have a blank canvas, you have the opportunity to expand your horizons, make new friends, learn new skills but most importantly you must keep the Avanti values and develop them further and be the best version of yourself!

I wish each of you every success and look forward to hearing about your achievements, we are an Avanti family so please do not forget to keep in touch!

Mrs Bellare

Principal
