

YEAR 2 AUTUMN TERM 2020 SPELLING LIST

Dear Year 2 Parents,

Kindly help your child to learn these weekly spellings every week. It is important to talk about the meanings of the words, discuss how to put them into sentences that make sense and show them pictures, if necessary. You could write some sentences out to develop their writing but that is optional and should not be handed in, via Google Classroom, at the moment.

* We will have a spelling test **every Friday**. The first spelling test will be on *Friday 18th September*, where List 1 words will be tested and then the second spelling test will be on *Friday 25th September*, where List 2 will be tested and so on. Thank you very much for your continued support.
