

Half term research project

Next half term we are still focusing on Africa, so your task is to complete a research project about an African country.

Task 1: To identify the countries in Africa. Look at the sheets and decide which challenge you want to do. Use an atlas/computer to help you research the country names

Task 2 : To choose an African country to focus on and research about it.

You can show what you have found out about that country by:

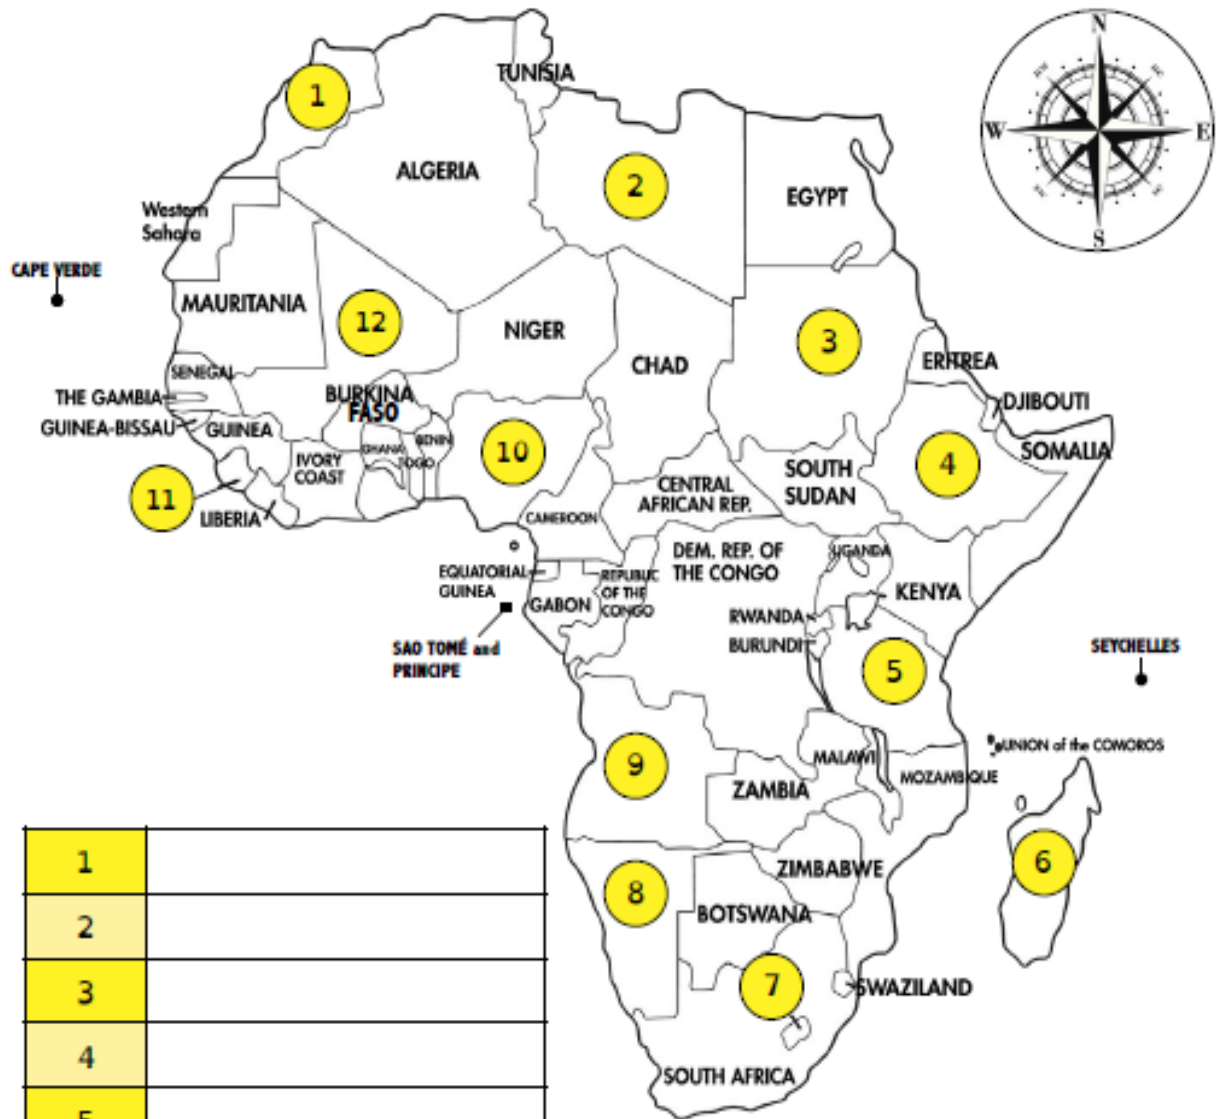

- Completing the attached fact sheet about it
- Creating a poster about it with relevant facts. Take a photo of the poster and upload it onto google classroom and also bring it in to school when you get back
- Create a powerpoint about it and upload it on to Google Classroom
- You must complete both tasks

Challenge: Can you create a true/false quiz to test a member of the family/peer about the location of the African countries?

Morocco is west of Algeria and north east of Western Sahara.	Lesotho is a country within the east of South Africa. It is south of Zimbabwe.	Tanzania is south west of Kenya.
True/false?	True/false?	True/false?

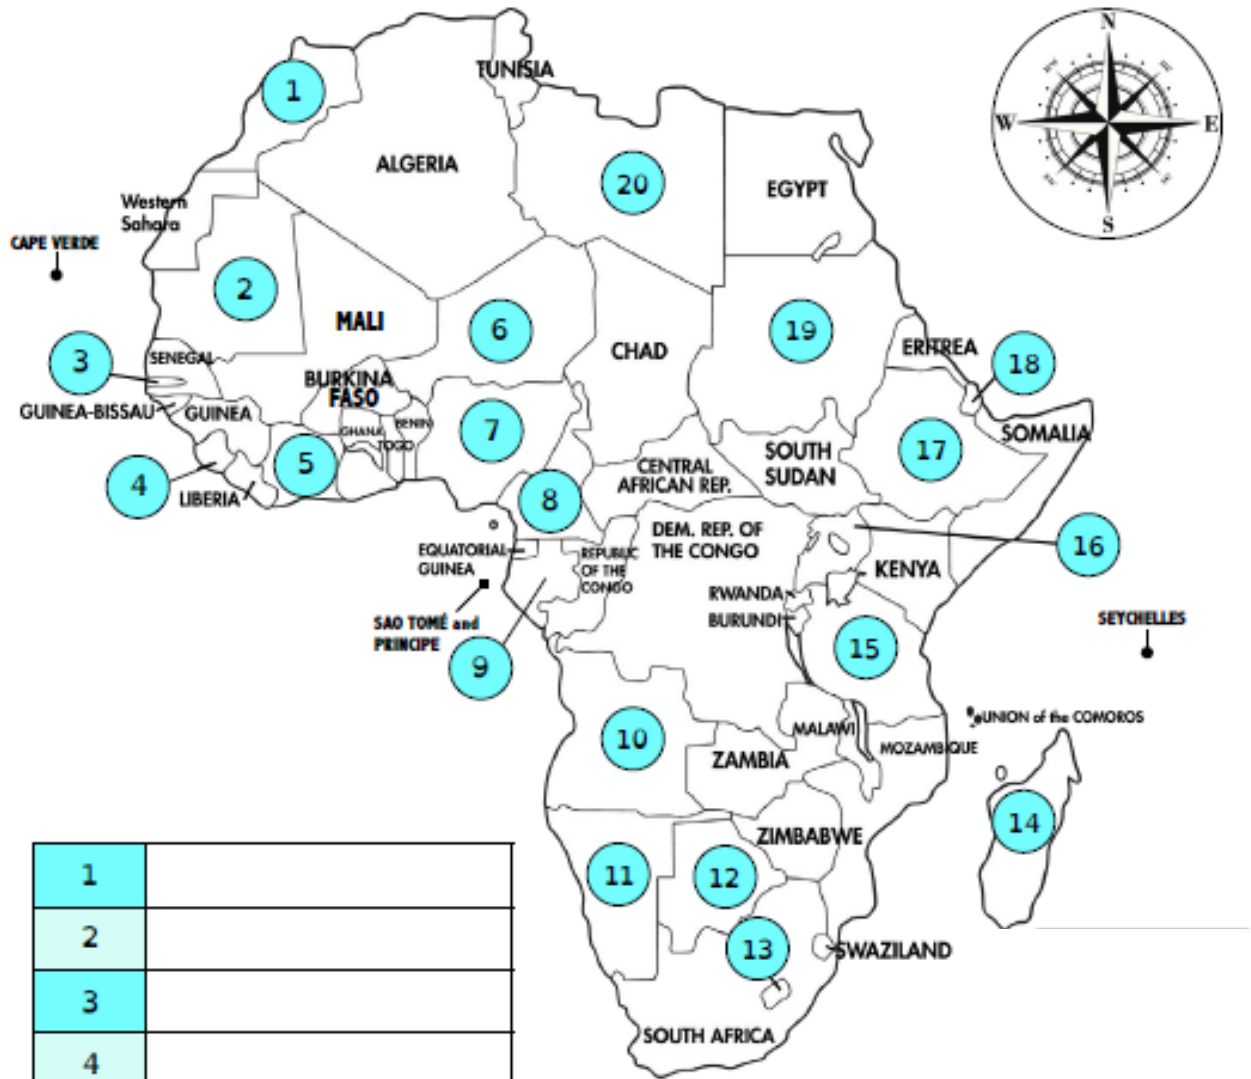

Use the template 1A provided to help you
