EMPATHY

What do you think Empathy means?
What is wrong with Piglet? What would you do?
Is Pooh Bear showing Empathy? How can you tell?

Mutual respect and tolerance

Mutual respect and tolerance

Think Piece: ***Would you like it if someone treated you unfairly because you like different things or look differently?***

- It is really important to respect everyone's differences.
- We have been learning about different faiths and customs.
- There are some things that are the same and some that are different.
- We have even gone on some virtual trips.
- How did we behave and why?

Self Discipline

Who showed Self Discipline?
Who did not?

- Are the girls showing Mutual Respect?
- Are they showing self discipline?
 - Why not?
- How can we show empathy? (thinking about how they feel)
- What would you do?

How to incorporate the values at home.

- Before telling your child what is for lunch, present them with 2 options. A healthy snack and an unhealthy snack. Can they show self discipline (SD) and choose the correct snack. – it might be helpful to try this before discussing SD, see what they do! Then try again after discussing SD.. Try it again the next day to see if it is consistent.
- Use the inferencing cards and activities to incorporate the key values – how can you show empathy/ respect?
- Reflect back on our learning about Islam and this weeks topic. Explore the different artefacts/ how they pray. Why is it important to show respect?
- Refer back to SD when discussing certain behaviours with your child/ when they are sitting down to do an adult directed activity/ going shopping
