

YEAR 2 SPRING TERM 2021 SPELLING LIST

Dear Year 2 Parents,

Kindly help your child learn these weekly spellings. It is important to talk about the meanings of the words, discuss how to put them into sentences that make sense and show them pictures, if necessary. ***This term, we would like your child to write at least five sentences out, using these words, to develop their writing and upload it via Google Classroom – aim to extend the sentences using conjunctions like ‘because, when, if, so’ as well as adding adjectives, where appropriate.***

* We will have a spelling test **every Friday**. The first spelling test will be on *Friday 8th January 2021*, where List 1 words will be tested and then the second spelling test will be on *Friday 15th January 2021*, where List 2 will be tested and so on. Thank you very much for your continued support.
