

Avanti House Secondary School- CIAEG 2021-22

Careers Information Advice and Educational Guidance policy statement:

Avanti House School provides our students with careers guidance and education at appropriate milestones in their school journey. We commission independent careers guidance through Prospects Ltd in addition to providing resources, information, educational trips and further opportunities for students. Careers education is imbedded into our curriculum and we fully support all students, assisting them on careers and further education/ training choices. We aim to breakdown stereotypes and allow students to consider their best skills, characteristics and ability in their decision process to make a smooth transition to wherever life takes them after 'Avanti'.

Pupils will receive:

- *Encounters with an employer, at least once per year (Years 7-13)
- *Pupils will undertake a week long work experience placement (subject to covid restrictions/may be virtual) (Year 10)
- * Access to a range of education/training providers, informing them of approved education qualifications or apprenticeships (Years 8-13)
- *Independent careers advice (Years 9-13)

FE information 'Baker Clause'

Avanti House welcomes the opportunity for students to hear from external Further Education providers including vocational courses post 14 and post 16. Providers should contact the school to discuss suitable arrangements. These must be in line with school guidelines and sufficient notice will need to be given. This will allow our students to make a clear decision on their future.

Students have access to a range of external prospectuses in the school careers office, open days are promoted and external HE/FE providers are recommended during their careers interviews.

Contacts:

Careers Coordinator: Miss J. Reilly

Careers Advisor: Ms D. Louisy (Prospects)

Principal: Mr S. Arnell

Review Date: September 2022
