## Message from the SW Hub Director

**A**s the term ends for our 3 schools across the south west, we reflect on what has been a tremendously challenging year for all. We are enormously grateful to staff, parents and pupils for all your support and resilience.

Acknowledging that the term ends on a note of sadness for many as we say goodbye to a number of staff members, parents and children, we are looking forward to the new school year starting in September. Newly appointed principals, leadership teams and staff are planning with great energy and enthusiasm for the new academic year. This includes preparations for not only the new curriculum but also ensuring that our schools are safe, nurturing environments for all pupils. We continue to pay close attention to government guidance for full re-opening in September, detailed plans will be communicated to parents and staff before the start of the autumn term. We very much look forward to welcoming all pupils back on Thursday, 3rd September.

**I** know it's been a difficult year for children, parents and staff. Apart from the stresses of Covid-19, there have been changes at the former Steiner schools which I know have caused many of you pain. Thank you for bearing with us through the upheaval. I hope that next year will be a more stable period: we are confident that the new curriculum offers exciting possibilities for a holistic education, meeting the needs and aspirations of the whole spectrum of pupils in our schools.

I am very happy to announce that we have appointed Ashley Milum as the permanent principal at Avanti Gardens school.

Ashley has recently worked as a regional Assistant Headteacher for a large Academy Trust based in the south west. Before then, he worked in Bristol as a teacher and has also served as a Governor for a primary school.
