"Children will have an abundance of opportunities to learn through play. We will ensure that learning will be fun, engaging and we will challenge and support all children where ever their starting point. As an EYFS team and effective role models, we will provide high quality interactions in order to develop and deepen the children's learning opportunities. We will deliver our curriculum through a balance of adult led and childinitiated activities based on the EYFS Framework 21' & children's interests." Avanti Park EYFS Team "We understand and appreciate the importance of the outdoor environment for our children. It is a continuation of our indoor provision and it will be used at every opportunity. At Avanti Park, we provide our children with opportunities to develop their gross motor skills, to deepen their imaginations and also their sense of curiosity. We want the children to feel safe and secure at all times and ensure that our safeguarding procedures are rigorous and kept up to date. Communication is important to us and we greatly value the relationship that we develop with parents throughout this vital year." Avanti Park EYFS Team.

#### **Characteristics of Effective Learning**

Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.

Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.

Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.

**Positive Relationships:** Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.

**Enabling environments:** Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.

Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.

PLAY: At Avanti Gardens School, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS setting has an underlying ethos of 'Learning through play. PLAY is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.'. EYFS Team

#### We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.

The ultimate purpose of education, for adults and children, is to help them cultivate love, which is both an aesthetic and rational experience.

**RESTORATIVE PRACTICE**

OUR VALUES ASSEMBLIES / SHARING CIRCLES These will mirror the principles and values of our school & The Avanti Way. We will 'dip in and out of each area' each term as and when we need to.	<b>Mutual respect</b> We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned, respected, and celebrated.	Mutual Tolerance Everyone is valued, all cultures are celebrated and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith.	Rule of law We all know that we have rules at school that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary.	Individual liberty We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different.	Democracy We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We have the opportunity to play with who we want to play with. We listen with intrigue and value and respect the opinions of others.	Recap all British Values Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain valuing our community and celebrating diversity of the UK. Fundamental British Values are not exclusive to being British and are shared by other democratic countries.

AVANTI PARK	Autumn 1	Autumn 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2		
GENERAL THEMES	All About me!	TERRIFIC TALES!	AMAZING ANIMALS!	Come Outside!	TICKET TO RIDE!	FUN AT THE SEASIDE!		
COMMUNICATION AND LANGUAGE Talk to parents about what language they speak at home, try and learn a few key words and celebrate multilingualism in your setting.	The development of children's spoken language underpins all seven areas of learning and development. Children's <b>back-and-forth interactions</b> from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a <b>language-rich environment</b> is crucial. By commenting on what children are interested in or doing, and echoing back what they say with <b>new vocabulary added</b> , practitioners will build children's language effectively. <b>Reading frequently to children</b> , and <b>engaging them actively in stories</b> , non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and <b>embed new words in a range of contexts</b> , will give children the opportunity to thrive. Through <b>conversation, story-telling and role play</b> , where children <b>share their ideas</b> with support and <b>modelling</b> from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a <b>rich range of vocabulary</b> and <b>language structures</b> .							
Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, EYFS productions, assemblies and weekly interventions. DAILY STORY TIME	Welcome to EYFS Settling in activities Making friends Children talking about experiences that are familiar to them What are your passions / goals / dreams? This is me! Rhyming and alliteration Familiar Print Sharing facts about me! Mood Monsters Shared stories All about me! Model talk routines through the day. For example, arriving in school: "Good morning, how are you?"	Tell me a story! Settling in activities Develop vocabulary Discovering Passions Tell me a story - retelling stories Story language Word hunts Listening and responding to stories Following instructions Takes part in discussion Understand how to listen carefully and why listening is important. Use new vocabulary through the day. Choose books that will develop their vocabulary.	Tell me why! Using language well Ask's how and why questions Discovering Passions Retell a story with story language Story invention – talk it! Ask questions to find out more and to check they understand what has been said to them. Describe events in some detail. Listen to and talk about stories to build familiarity and understanding. Learn rhymes, poems and songs.	Talk it through!         Settling in activities         Describe events in detail –         time connectives         Discovering Passions         Understand how to listen         carefully and why listening         is important.         Use picture cue cards to         talk about an object:         "What colour is it? Where         would you find it?         Sustained focus when         listening to a story	What happened? Settling in activities Discovering Passions Re-read some books so children learn the language necessary to talk about what is happening in each illustration and relate it to their own lives	Time to share! Show and tell Weekend news Discovering Passions Read aloud books to children that will extend their knowledge of the world and illustrate a current topic. Select books containing photographs and pictures, for example, places in different weather conditions and seasons.		

We understand that children will make progress at different times. There is no right time... they will progress when they are ready.

Suu'	RECEPTION	LONG	Term	Plan	21-22

AVANTI PARK	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2		
GENERAL THEMES	All About me!	TERRIFIC TALES!	Amazing Animals!	Come Outside!	TICKET TO RIDE!	FUN AT THE SEASIDE!		
PHYSICAL DEVELOPMENT	Physical activity is <b>vital</b> in children's all-round development, enabling them to <b>pursue happy, healthy and active lives</b> . Gross and fine motor experiences develop incrementally throughout early childhood, starting with <b>sensory explorations</b> and the development of a <b>child's strength, co-ordination and positional awareness</b> through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their <b>core strength, stability, balance, spatial awareness</b> , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional wellbeing. <b>Fine motor control and precision helps with hand-eye co-ordination</b> , which is later linked to <b>early literacy</b> . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop <b>proficiency, control and confidence.</b>							
Continuously check the process of children's handwriting (pencil grip and letter formation, including directionality). Provide extra help and guidance when needed.	Threading, cutting, weaving, playdough, Fine Motor activities. Manipulate objects with good fine motor skills Draw lines and circles using gross motor movements Hold pencil/paint brush beyond whole hand grasp Pencil Grip	Threading, cutting, weaving, playdough, Fine Motor activities. Develop muscle tone to put pencil pressure on paper Use tools to effect changes to materials Show preference for dominant hand Engage children in structured activities: guide them in what to draw, write or copy. Teach and model correct letter formation.	Threading, cutting, weaving, playdough, Fine Motor activities. Begin to form letters correctly Handle tools, objects, construction and malleable materials with increasing control Encourage children to draw freely. Holding Small Items / Button Clothing / Cutting with Scissors	Threading, cutting, weaving, playdough, Fine Motor activities. Hold pencil effectively with comfortable grip Forms recognisable letters most correctly formed More Ideas here: <u>https://mrsunderwood.co.uk/prod</u> <u>uct/50-fine-motor-activity-ideas/</u>	Threading, cutting, weaving, playdough, Fine Motor activities. Develop pencil grip and letter formation continually Use one hand consistently for fine motor tasks Cut along a straight line with scissors / Start to cut along a curved line, like a circle / Draw a cross	Threading, cutting, weaving, playdough, Fine Motor activities. Form letters correctly Copy a square Begin to draw diagonal lines, like in a triangle / Start to colour inside the lines of a picture Start to draw pictures that are recognisable / Build things with smaller linking blocks, such as Duplo or Lego		
DAILY OPPORTUNITIES FOR FINE MOTOR ACTIVITIES GROSS MOTOR	Cooperation games i.e. parachute games. Climbing – outdoor equipment Different ways of moving to be explored with children Changing for PE / Help individual children to develop good personal hygiene. Acknowledge and praise their efforts. Provide regular reminders about thorough handwashing and toileting.	Ball skills- throwing and catching. Crates play- climbing. Skipping ropes in outside area dance related activities Provide a range of wheeled resources for children to balance, sit or ride on, or pull and push. Two-wheeled balance bikes and pedal bikes without stabilisers, skateboards, wheelbarrows, prams and carts are all good options	Ball skills- aiming, dribbling, pushing, throwing & catching, patting, or kicking Ensure that spaces are accessible to children with varying confidence levels, skills and needs. Provide a wide range of activities to support a broad range of abilities. Dance / moving to music Gymnastics ./ Balance	Balance- children moving with confidence dance related activities Provide opportunities for children to, spin, rock, tilt, fall, slide and bounce. Use picture books and other resources to explain the importance of the different aspects of a healthy lifestyle.	Obstacle activities children moving over, under, through and around equipment Encourage children to be highly active and get out of breath several times every day. Provide opportunities for children to, spin, rock, tilt, fall, slide and bounce. Dance / moving to music	Races / team games involving gross motor movements dance related activities Allow less competent and confident children to spend time initially observing and listening, without feeling pressured to join in. Gymnastics ./ Balance		
WEEKLY YOGA LESSON	From Development Matters 20': Revise and refine the fundamental movement skills they have already acquired: - rolling - crawling - jumping - running - hopping - skipping – climbing Progress towards a more fluent style of moving, with developing control and grace. Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.							

All these ideas will be revisited each term. Children need time to practice and consolidate. Repetition is a good thing.

AVANTEL DADIZ									
AVANTI PARK	AUTUMN 1	Autumn 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2			
GENERAL THEMES	All About me!	TERRIFIC TALES!	AMAZING ANIMALS!	Come Outside!	TICKET TO RIDE!	FUN AT THE SEASIDE!			
LITERACY	only develops when adults talk with	It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)							
COMPREHENSION - DEVELOPING A PASSION FOR READING Children will visit the library weekly	Joining in with rhymes and showing an interest in stories with repeated refrains. Environment print. Having a favourite story/rhyme. Understand the five key concepts about print: - print has meaning - print can have different purposes - we read English text from left to right and from top to bottom - the names of the different parts of a book Sequencing familiar stories through the use of pictures to tell the story. Recognising initial sounds. Name writing activities. Engage in extended conversations about stories, learning new vocabulary.	Retell stories related to events through acting/role play. Christmas letters/lists. Retelling stories using images / apps. Pie Corbett Actions to retell the story – Story Maps. Retelling of stories. Editing of story maps and orally retelling new stories. Non-Fiction Focus Retelling of stories. Sequence story – use vocabulary of beginning, middle and end. Blend sounds into words, so that they can read short words made up of known letter– sound correspondences. Enjoys an increasing range of books	Making up stories with themselves as the main character – Using Tales Toolkit strategy. Encourage children to record stories through picture drawing/mark making for LAs. Read simple phrases and sentences made up of words with known letter–sound correspondences and, where necessary, a few exception words. Read a few common exception words matched to RWI. Make the books available for children to share at school and at home. Avoid asking children to read books at home they cannot yet read	Information leaflets about animals in the garden/plants and growing. Re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment. World Book Day Timeline of how plants grow. Uses vocabulary and forms of speech that are increasingly influenced by their experiences of books. They develop their own narratives and explanations by connecting ideas or events	Stories from other cultures and traditions Retell a story with actions and / or picture prompts as part of a group - Use story language when acting out a narrative. Rhyming words. Parents reading stories Can explain the main events of a story - Can draw pictures of characters/ event / setting in a story. May include labels, sentences or captions. Role play area – book characters Pajamarama Day	Can draw pictures of characters/ event / setting in a story Listen to stories, accurately anticipating key events & respond to what they hear with relevant comments, questions and reactions. Make predictions Beginning to understand that a non-fiction is a non-story- it gives information instead. Fiction means story Can point to front cover, back cover, spine, blurb, illustration, illustrator, author and title.			
READING Children will be working in different groups for Read Write Inc. SH – Focus on consolidation of set 1 sounds and Set 2 Sounds, Green words . Ditty sheets, introduction of Red Ditty Books and Purple books for more confident readers.	Phonic Sounds: RWI Set 1 whole class Reading: Initial sounds, oral blending, CVC sounds, reciting know stories, listening to stories with attention and recall. Help children to read the sounds speedily. This will make sound- blending easier Listen to children read aloud, ensuring books are consistent with their developing phonic knowledge	Phonic Sounds: RWI Differentiated groups Reading: Blending CVC sounds, rhyming, alliteration, knows that print is read from left to right. Spotting diagraphs in words. Show children how to touch each finger as they say each sound. For exception words such as 'the' and 'said', help children identify the sound that is tricky to spell.	Phonic Sounds: RWI Differentiated groups / Ditties Reading: Rhyming strings, common theme in traditional tales, identifying characters and settings. Help children to become familiar with letter groups, such as 'th', 'sh', 'ch', 'ee' 'or' 'igh'. Provide opportunities for children to read words containing familiar letter groups: 'that', 'shop', 'chin', 'feet', 'storm', 'night'.	Phonic Sounds: RWI Differentiated groups Reading: Story structure-beginning, middle, end. Innovating and retelling stories to an audience, non-fiction books. Listen to children read some longer words made up of letter-sound correspondences they know: 'rabbit', 'himself', 'jumping'. Children should not be required to use other strategies to work out words.	Phonic Sounds: RWI Differentiated groups: Reading: Non-fiction texts, Internal blending, Naming letters of the alphabet. Distinguishing capital letters and lower case letters. Note correspondences between letters and sounds that are unusual or that they have not yet been taught, such as 'do', 'said', 'were'.	Sort books into categories. Phonic Sounds: RWI Differentiated groups Reading: Reading simple sentences with fluency. Reading CVCC and CCVC words confidently. End of term assessments Transition work with Year 1			

We will provide experiences which build on children's existing knowledge and understanding in order to challenge, stimulate and extend their learning and development

RE / FESTIVALS         Our RE Curriculum enables         children to develop a positive         sense of themselves and others         and learn how to form positive         and respectful relationships.         They will begin to understand and         value the differences of individuals         and groups within their own         community.         Children will have opportunity to         develop their emerging moral and         cultural awareness.	<ul> <li>photos of their family; naming who they can see and of what relation they are to them.</li> <li>Can talk about what they do with their family and places they have been with their family. Can draw similarities and make comparisons between other families. Name and describe people who are familiar to them.</li> <li>Read fictional stories about families and start to tell the difference between real and fiction. Talk about members of their immediate family and community.</li> <li>Navigating around our classroom and outdoor areas. Create treasure hunts to find places/ objects within our learning environment.</li> <li>Introduce children to different occupations and how they use transport to help them in their jobs.</li> <li>Listen out for and make note of children's discussion between themselves regarding their experience of past birthday celebrations.</li> <li>Long ago – How time has changed. Using cameras.</li> </ul>	<ul> <li>done with their families during Christmas' in the past.</li> <li>Show photos of how Christmas used to be celebrated in the past. Use world maps to show children where some stories are based. Use the Jolly Postman to draw information from a map and begin to understand why maps are so important to postmen.</li> <li>Share different cultures versions of famous fairy tales.</li> <li>To introduce children to a range of fictional characters and creatures from stories and to begin to differentiate these characters from real people in their lives.</li> <li>Stranger danger (based on Jack and the beanstalk). Talking about occupations and how to identify strangers that can help them when they are in need.</li> </ul>	<ul> <li>events in chronological order.</li> <li>What can we do here to take care of animals in the jungle?</li> <li>Compare animals from a jungle to those on a farm.</li> <li>Explore a range of jungle animals. Learn their names and label their body parts. Could include a trip to the zoo.</li> <li>Nocturnal Animals Making sense of different environments and habitats</li> <li>Use images, video clips, shared texts and other resources to bring the wider world into the classroom. Listen to what children say about what they see</li> <li>Listen to children describing and commenting on things they have seen whilst outside, including plants and animals.</li> <li>After close observation, draw pictures of the natural world, including animals and plants</li> </ul>	<ul> <li>our journey to the park and how we will get there.</li> <li>Introduce the children to recycling and how it can take care of our world. Look at what rubbish can do to our environment and animals. Create opportunities to discuss how we care for the natural world around us.</li> <li>Can children make comments on the weather, culture, clothing, housing.</li> <li>Change in living things – Changes in the leaves, weather, seasons,</li> <li>Explore the world around us and see how it changes as we enter Summer. Provide opportunities for children to note and record the weather.</li> <li>Building a 'Bug Hotel'</li> <li>Draw children's attention to the immediate environment, introducing and modelling new vocabulary where appropriate.</li> <li>Encourage interactions with the outdoors to foster curiosity and give children freedom to touch, smell and hear the natural world around them during hands-on experiences.</li> <li>Look for children incorporating their wedter.</li> </ul>	<ul> <li>Discuss how they got to school and what mode of transport they used. Introduce the children to a range of transport and where they can be found.</li> <li>Look at the difference between transport in this country and one other country. Encourage the children to make simple comparisons.</li> <li>Use bee-bots on simple maps. Encourage the children to use navigational language.</li> <li>Can children talk about their homes and what there is to do near their homes?</li> <li>Look out for children drawing/painting or constructing their homes.</li> <li>Encourage them to comment on what their home is like. Show photos of the children's homes and encourage them to draw comparisons.</li> <li>Environments – Features of local environment Maps of local area Comparing places on Google Earth – how are they similar/different?</li> <li>Introduce the children to NASA and America.</li> <li>Introduce children to significant figures who have been to space and begin to understand that these events happened before they were born.</li> <li>Can children to places of worship and places of local importance to the community.</li> </ul>	<ul> <li>to understand that they were alive a very long time ago.</li> <li>Learn about what a palaeontologist is and how they explore really old artefacts. Introduce Mary Anning as the first female to find a fossil.</li> <li>Materials: Floating / Sinking – boat building Metallic / nonmetallic objects</li> <li>Seasides long ago – Magic Grandad</li> <li>Share non-fiction texts that offer an insight into contrasting environments.</li> <li>Listen to how children communicate their understanding of their own environment and contrasting environments through conversation and in play.</li> </ul>
