MESSAGE FROM
THE PRINCIPAL

The Avanti Park Post

Dear parents and carers

Welcome back. My family and I managed a few nights away in the Lake District last week. The weather was glorious, and I even managed to drag my children up some mountains! The views were the best we have ever had, and we felt so lucky to get away after months of being at home. I hope you all managed to have a good break too.

I wanted to share some photographs of work that has been done in the school this holiday. You will find below photographs of:

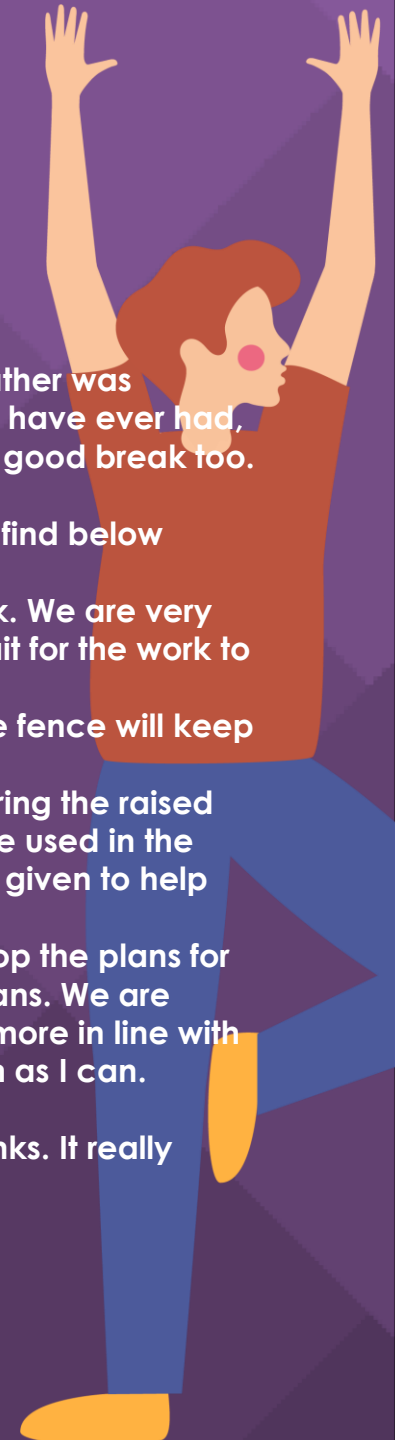

- The completed mural leading into the library. We have also ordered new furniture and book stock. We are very grateful to the PTFA who have boosted our funds for the library development project. We can't wait for the work to be completed and to be able to share the results with you and the children.
- The Sandpit. The fence around the sandpit has been installed and new sand has been added. The fence will keep animals out which will make the area safe for your children to play in.
- The poly tunnels. The Govinda's team (Avanti Schools Trust Catering) have been very busy preparing the raised beds in and out of the poly tunnels. The plan is for the pupils to grow vegetables which will then be used in the school meals. We are really excited about this and very grateful for the time Govinda's staff have given to help get this project going.
- EYFS outdoor learning area. Thank you to the parents who have given up their time to help develop the plans for the EYFS outdoor area. You will be pleased to know there is no artificial grass on the amended plans. We are grateful to the Trust who have provided additional funding to provide an outdoor space which is more in line with the views of the school community. Work has started and I will update you on time scales as soon as I can.

I finally wanted to thank those of you who took the time to nominate a staff member for special thanks. It really means a lot to staff when they receive one of your messages.

With best wishes

Abby Atkins
