Are you a passionate, committed and innovative Teacher of design technology? Do you want to work in an outstanding school that values the creative subjects and in which design technology is a popular and highly successful option choice?

We are seeking a teacher who can offer strong design and workshop skills as a main specialism that is also able to teach a limited amount of hours of KS3 Art as an additional subject. A candidate with a clear focus on outstanding outcomes for students, which will ensure effective teaching and learning. The ideal candidate will be an enthusiastic and innovative teacher with the skills to teach students to design imaginatively and the ability to teach students to manufacture a range of original products in wood, metal and plastics. The post is an ideal opportunity to develop in an engaging and innovative environment that will help you develop as a teacher and leader and would be equally suitable for a keen, strong NQT looking for a first teaching post or a more experienced teacher seeking a move.

The successful candidate will not only be passionate about their subject, and have exceptional subject knowledge, but also have a passion and drive to deliver and engage students in their studying of Design and Technology from Key stage 3 to GCSE. The outstanding behaviour of our students truly gives you the opportunity to teach your subject and deliver exciting and engaging lessons.

The school has now moved to its new £25-million-pound building located in Stanmore, Wemborough Road HA7 2EQ. you will be able to teach in facilities that are up to date and at the cutting edge of technology. You will have your own classroom space dedicated to your subject enabling you to develop the very best teaching and learning practices.
