

Science Technician - Avanti Park School

SALARY	G5 P13 (£7404.47 per annum actual pro rata salary – 0.4 FTE)
LOCATION	Frome
CONTRACT TYPE	Term-Time and Part-Time
CONTRACT TERM	Fixed term till 31 st July 2021
START DATE	ASAP

We are looking to appoint a hard-working, well organized and dedicated Science Technician to join our current team in facilitating the delivery of all aspects of the science curriculum. A good knowledge of scientific principles in all disciplines of science is desirable. Strong organizational skills and an ability to work on your own initiative is also important. The successful candidate will be expected to undertake relevant safety and/or skills training as required to fulfil the job requirements. You will be working as part of a newly established team who are passionate about providing the very best experience for our students.

Avanti Park is a school that is committed to giving all children an engaging and enriching educational experience. The school has an ethos which is based on the three pillars of the Avanti Way; Educational Excellence, Spiritual Insight and Character Formation. Our school is welcoming and has a strong sense of community. Strong relationships between staff and pupil are at the heart of our school and provide the basis for our belief that all pupils will thrive here.

We are based in the rolling greens of Somerset, 12 miles south of Bath, on the edge of the Mendips, with Bristol, Glastonbury and Stonehenge all within a 25-mile radius.

The school sits just above the thriving town of *Frome*, with the park running alongside our site. Over the last 4 years, the site has been through a major transition, from a much-loved *Victorian-era* town hospital to a new school for the families of *Frome*.

The behaviour of learners in our schools is excellent and our parents, carers and students are highly aspirational. We believe in high expectations, challenge and support to enable our students to understand and develop into the best version of themselves. Through coaching and time allocated to professional development, we support our staff to excel in creating a highly successful learning environment for our students and we are an ambitious team who strive to ensure that all students enjoy learning and surpass expectations.

The successful candidate will, be expected to support and model the unique ethos and vision of the School – following closely the expected behaviours laid out in the Avanti Way.

Please see www.avanti.org.uk for more details.

Our school is committed to safeguarding and promoting the welfare of all our children and expects all staff and volunteers to share this commitment.

The post is subject to an enhanced DBS check and satisfactory references. Please note that we do not accept Curriculum Vitae in line with our safer recruiting procedures. Full details of the recruitment timeline and application process can be found by visiting www.avanti.org.uk/careers.

AVANTI SCHOOLS
TRUST

Science Technician

This post is exempt from the provision of the Rehabilitation of Offenders Act 1974; the successful applicant will be expected to undertake an Enhanced Disclosure.

Avanti Park School is committed to safeguarding and promoting the welfare of children, young people and adults and expects all staff to share this commitment. We are committed to promoting equality of opportunity and access for all, irrespective of age, background, race, gender, religion, ability, disability or sexuality. We welcome applications for employment from the whole community.

This is a rolling advert and applications will be reviewed weekly.

Please send your completed application form to the Avanti HR Team by e-mail to careers@avanti.org.uk by the deadline date.
