Avanti Park is a school that is committed to giving all children an engaging and enriching educational experience. The school has an ethos which is based on the three pillars of the Avanti Way; Educational Excellence, Spiritual Insight and Character Formation. Our school is welcoming and has a strong sense of community. Strong relationships between staff and pupil are at the heart of our school and provide the basis for our belief that all pupils will thrive here.

We are based in the rolling greens of Somerset, 12 miles south of *Bath*, on the edge of the Mendips, with *Bristol*, *Glastonbury* and *Stonehenge* all within a 25 mile radius.

The school sits just above the thriving town of *Frome*, with the park running alongside our site. Over the last 4 years, the site has been through a major transition, from a much-loved *Victorian-era* town hospital to a new school for the families of *Frome*.
