Welcome

Letter of Welcome from Mike Younger, Chair of Avanti Schools Trust Board of Trustees

Dear prospective applicant,

We are delighted that you have shown an interest in becoming the Deputy Principal of Avanti Hall School. In all our schools we are seeking to celebrate each student's individuality and deliver an educational journey that secures development, both academically and pastorally, to ensure confidence and ambition. Our philosophy is that education should provide every student with the core skills needed to achieve academic excellence through a diverse and rich programme of study that has holistic development at its core.

When I visit our schools, I see proud staff, engaged students and a community that knows we will do all that we can to secure the very best outcomes for the children within our care. These attributes are certainly not unique across the sector, but the relentless commitment and high expectations staff in Avanti's schools hold for our young people is truly remarkable.

Through our newly created Avanti Institute you will be able to access a comprehensive CPD package of support.

I hope you are as excited by this proposition as we are and if so, we look forward to meeting you.

A handwritten signature in black ink that reads "Mike Younger".

Core Principles

We have incredible potential and can achieve this when nurturing all parts of ourselves – intellectual, emotional, physical and spiritual.

1

We choose how we wish to respond to life and what we nurture within.

2

We care for and respect all life – human, animal and plant – and live in a way that causes the least possible harm.

3

We each observe the one same reality from our own unique perspective and engage in open-minded dialogue to deeply enrich our vision.

4

We serve a higher purpose by living a meaningful and satisfying life of contribution.

5

We are nourished by personal relationships that fulfil our need to love and be loved, encouraging us to be the best we can be.

6

The Three Pillars

Our school prepares students for their respective life-journeys by promoting educational excellence, character formation and spiritual insight.

Educational Excellence

Our vision for educational excellence is one where deeply inspired teachers nurture joyful students and nourish their innate passion for learning. Learning is a quest to discover each student's unique gifts and potential and lay the foundation for their lifelong journey of learning. This is inseparable from high academic standards, where a challenging holistic curriculum cultivates independently thoughtful and reflective students by working towards a sense of mastery, emphasising depth, and not just breadth.

Character Formation

Our vision for character formation is one where virtues are taught by example and a supportive community of learners fosters a powerful sense of individual and collective purpose. Learning develops for these conscious changemakers as a quest for making the world a better place, starting with oneself. The capacity to internalise and put into practice what we have learned is the true test of learning. Building this capacity demands an experiential, virtues-led curriculum that embraces collaboration, custodianship and global perspectives.

Spiritual Insight

Our vision for spiritual insight is one where our interconnectedness with all living beings and with the universe, urges acts born out of humility and love, and the Self is perceived beyond its layers of coverings. Learning blossoms for these seekers as a quest for self-discovery and opens the door to their unlimited potential; an antidote to the emptiness of a materialistic or mechanistic worldview. The curriculum unveils the possibilities of sacredness and transcendence at every moment and so engenders a deeply positive attitude to life, enduring happiness and heartfelt relationships.

Information about the MAT & School

The Avanti Schools Trust

Avanti Schools Trust (AST) is a successful and growing multi-academy trust (MAT) with a track record of delivering strong outcomes for children. To date, all of our academies that have been inspected by Ofsted have been rated good, some with outstanding features. The majority of our schools are over-subscribed and we have a strong track record of delivering projects on-time and within budget.

The MAT currently operates three learning hubs – one in London, one in Leicester and one in the South West and our next learning hub will be developed around the Bishop Stortford area as a result of Avanti winning an academy presumption completion to open three new schools (two primary and one secondary). The first of these schools, Avanti Meadows PS is set to open in September 2021.

AST's first school opened as a voluntary-aided (VA) school in 2008 and its first free school in 2011 and incorporated its first converter academy in 2012.
