Week beginning
Monday 28th
November
Friday 9th
December 2022!

Contents

- **School Closes on Friday 9th December at 1pm and will be back on Wednesday 4th January 2023.**
- Nursery Christmas Sing along
- Reception perform to residents from Sai Ram Care Home
- Art Week
- School Council
- Inconsiderate driving and parking
- Townhall feedback

Nursery Christmas Sing Along.

This week our youngest children took the stage and performed a Christmas Sing a Long Infront of their parents. They were absolutely wonderful, demonstrating courage, self regulation and not to mention their singing skills.

Thank you to all the parents who joined, I hope that you enjoyed it too!

Reception children
performed in front of
Residents from Sai Ram
Care Home.

Six residents from Sai Ram Care Home, visited KAPSH on 8th December to watch the Nativity performed by our Reception children.

The residents received so much joy watching our young children perform and bestowed an abundance blessings on them. They were smiling and joining in with the singing, at the end they shared their gratitude and said that watching the performance reminded them of their own children when they too were young.

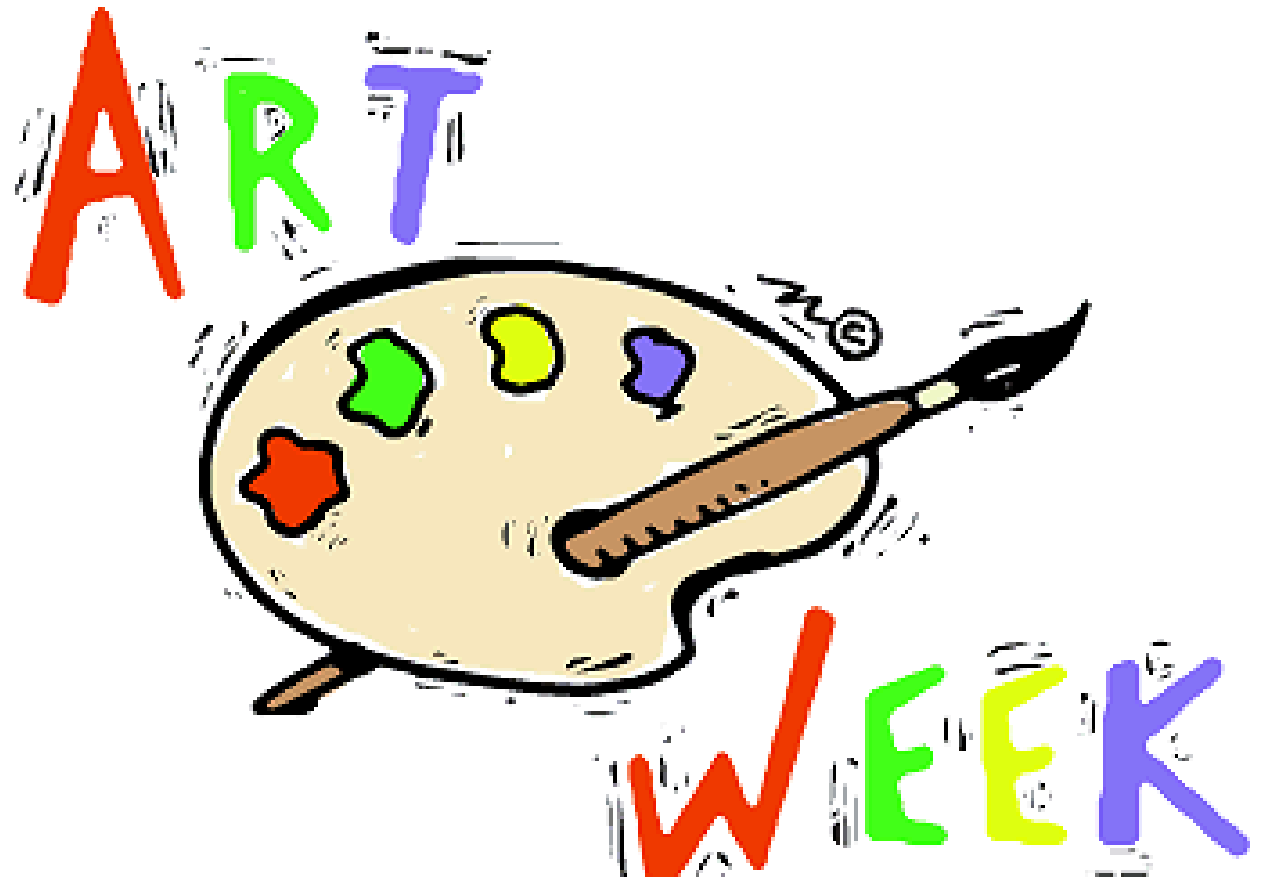

We will continue to keep in contact and begin to forge a beautiful relationship between the school and the residents.

Highlights from Art Week.

Children across the school focused on developing their skills and knowledge in art, they focused on a contemporary artist alongside sustainability: From Trash to Treasure. Please click on this link

To see the highlights from the week

School Council

Our newly elected school council have been working on developing resources during wet play. You may know that wet play can be a very difficult time for a child as they are not able to release their energy, which leads to a lack of classroom focus. Currently children are using their own initiatives to stay busy, however their choice of activity is not always engaging enough.

Each year group has now voted on what items they would like, to make wet play engaging and fun. Below is a list of their suggestions.

This is where I need your help, it would be great if our generous parents were able to donate some of the items our children need. This could be in the form of a class donation when it is your child's birthday or you simply would like to give back to the school community. Please do get in touch if you are able to help, by emailing the school office.

School Council cont...

Year 1: Board games, lego, small world, arts and crafts, jigsaw puzzles

Year 2: Stickle bricks, cars, jigsaw puzzles, snakes and ladders, puppets

Year 3: Hungry hippo x2. Jenga x2, table football x2, snakes and ladders, origami set with instructions.

Year 4: Origami set with instructions, Chess sets x4, lego and playing cards x4.

Year 5: Origami set with instructions, jenga x2, board games, lego, table football x2

Year 6: Jenga x2, board games, table football x2

Inconsiderate Driving and Parking!

You may have seen that on occasions, my Site Manager and I have been patrolling the neighbouring streets to educate parents of their wrong decisions. This is a very stressful time for us and I can totally empathise with our local residents, however it is not sustainable. Each day, our parents are parking in the drives of our residents and the implication is huge, leaving our local residents late for appointments, late for work. This behaviour is highly unacceptable. It surprises me, as a school, we have such high behaviour expectations of our children and sadly this is not role modelled by certain members of our parent community.

I am now working with local MP's to find solutions to combat this issue, let's hope before there is an accident.

Townhall Feedback

Thank you to all of you who joined in our various Townhall sessions this term. Our focus was around our provision for P.E, Music, After school clubs and educational visits.

Please see attached what you said, what we heard and what we did.
