### Lunchtime chess club: 12 pm to 1 pm

*"Fun with Chess"*

Dear Parents,

Thank you for supporting the chess club.

The children had an excellent learning curve. And progressed beyond basics. We are excited about the events lined up this Spring Term, **EFROC Spring TEAM Chess Championship**, intra-club matches, **UK chess challenge**, **Viz Kings pre-Qualifier events**, etc. Together, let us make your child/ children's journey in chess a success.

Chess improvement comes from casual games and match play. Playing against friends improves their confidence. The skills acquired in learning chess will enhance your child's logical thinking and improve creativity. Children are welcome whether they are complete beginners or have knowledge of chess. Having a friend in club makes it fun learning.

Children from **Reception to Year 6** can join and be part of the school team.

In the Spring Term, the chess club resumes on **10-Jan-2024 (Wednesday)** and concludes on **27-Mar-2024** (excluding half term on **14-Feb-2024**). The fee for this term is **£72/-**. Please note that fees are non-refundable in the event of absences or closure of the school for any reason.
