

## NSPCC

We had a visit from the NSPCC today to thank the children for their great work in raising money for children in need of support. The amount is still rising with children still bringing in sponsor money but so far the children have raised £2489.10 - a fantastic job done.

## Young Writers

The school today received a book called 'Ancient Adventures'. The book is a compilation of stories written by last year's Year 3 and Year 4 children (now Year 4 and Year 5). The book will be going home with the children today if they ordered one. A very well done to the children who wrote a story and have had it published.

## Reading Challenge

Numerous children were today awarded a book voucher for Waterstones having read everyday for the past two weeks. The voucher can be used at Waterstones and the chosen book will come to school initially. Once received, we will present the book to the child at school to keep at home. Reading is a valuable activity and develops

knowledge as well as a love for reading.

## Parents Evening

It is Parents' Evening after half-term. If you have not yet made an appointment, please do so as we like to share your child's progress with you and the second mini-report of the year.
