

Sports Premium 2014/15

In 2014-2015 the school received £8,575 income to spend on school PE and sport. The funding has been used in a variety of ways to improve and develop teaching and learning of PE and sport across the whole school. We encourage children to lead healthy lifestyles, enjoy PE and sport and experience high quality teaching. They are encouraged to take part in competition and aim for sporting excellence. We hope for the funding to have a lasting impact on provision of PE and sport within our school.
