#2

On this day...

The **1991 Bangladesh cyclone** was among the deadliest **tropical cyclones** on record. Forming out of a large area of convection over the Bay of Bengal on April 24, the **tropical cyclone** initially developed gradually while meandering over the southern Bay of Bengal.

Did you know...

The Sahara desert in Africa is the largest hot desert in the world. The Arctic desert and the Antarctic desert are bigger, but are usually referred to as polar deserts.
