

Focus on... PSHE

#34

On this day in...

1910, the first Father's Day was celebrated in Spokane, Washington and it all began when a young girl named Sonora Smart Dodd wanted to honour her dad. Today **Father's Day** is celebrating its 100th anniversary!

Did you know...

At just 9 months old, most babies understand the concept of friendship. Babies can recognise the fact that people with similar likes and dislikes tend to be friends. What little smarties!

Go explore...

Which animal has the largest brain?

Picture this...

A cow provides nearly 200,000 glasses of milk in a lifetime.
