

Focus on... Geography

#53

On this day in...

1776, the United States of America officially received its name change which was previously the United Colonies.

Did you know...

Russia is so big that it is home to eleven time zones.

Go explore...

Can you go and find out what all the different time zones of Russia are?

Picture this...

Globally, over 100,000 marine mammals die every year as a result of plastic pollution. This includes whales, dolphins, porpoises, seals and sea lions. How can we help them?
