#92

On this day in...

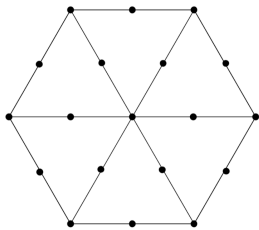

2014 The Tiger was officially declared India's national animal.

Fun Facts...

The number 18 can be found many times within important ancient Indian texts and scriptures. The Bhagavad Gita, one of such scriptures, has 18 chapters. Another Hindu epic called the Ramayana has a battle between the deity Rama and a demon that lasts 18 days.

Go explore...

Label the dots with the numbers 1 to 19 so that each set of three dots that lie along a straight-line segment add up to 22.

Picture this...
