

Monday 7th December 2020

Dear Parents

Workshop for Parents: Year 2 Swans - Wednesday 9th December, 09:00 to 10:00

We greatly value the input of our parents and other partners, as we provide learning opportunities for the children. School in the 2020s is quite different to what it was like when we, the adults, were children and the methods in lessons are also much improved.

Each year there will be a number of opportunities for you to engage in a discussion with your child's class teacher - one of those such opportunities is the Workshop for Parents that we offer. The workshop is a great opportunity for us to share and show how we teach, for example, mathematics. It is a chance for you to ask questions about areas that seem different to how you may have been taught, so you understand and we can work together for your children.

[Please click here to complete a form](#) to let the teacher know what questions you have and what, time permitting, you would appreciate being covered. By knowing in advance, staff can better prepare and make the most of the time together.

Due to Covid19, the workshop will be via Zoom using the following details.

Thank you for your continued support.

Yours Sincerely
