

# Focus on... Music

#100

On this day in...

1908, Edward Elgar's 1st Symphony, performed by the Hallé Orchestra and conducted by Hans Richter, premiered in Manchester, England.

Did you know...

All birds have their own unique song. But did you know that canaries have their own unique songs too? That's right! Canaries can sing two different songs at the exact same time!

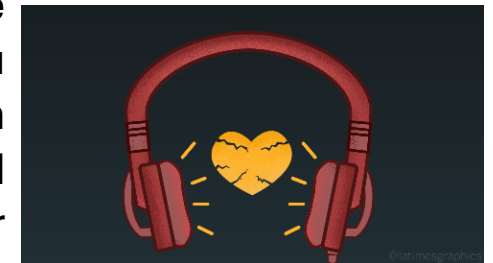

Go explore...

Carols were first sung in Europe thousands of years ago, but these were not Christmas Carols. What were they and what can you find out about them?

Picture this...

Your favourite song is probably your favourite because you associate it with an emotional event in your life.
