Friday, 8 January 2021

**Dear Parents** 

#### **Friday Update**

It may have been just two days back to school, but it has been busy. I hope the move to remote learning has been reasonably smooth - thank you for your patience and support. We knew there would be the odd glitch, delayed live session or other teething issue, but your positivity and understanding that these things takes time is appreciated.

# Remote Learning Support and Critical Worker Bookings

As always, the form for remote learning support and booking form for Critical Worker children is on our school website. If you are having any difficulties with any aspect of home learning, do reach out. If we can help we will and if we can't, we will try to find someone who can. The following link will take you there.

### **Remote Learning Support**

### **Parent Questionnaire Updates**

Our <u>Parent Questionnaire</u> is still available. So far we have had 80 submissions. If you haven't completed it, please do. We also have the <u>external 360 Reviews</u> which allow you to focus on specific areas. I hope this is useful.

Updates on feedback and questions...

• <u>Consideration to improving the grounds of the school i.e. tarmac car parking area, reduced flooding by improved draining:</u> The path widening was delayed but is a matter of days from completion. The fact we have limited numbers attending currently has saved some difficult conversations.

#### Focus on... and The Krishna Avanti Podcast

Next week we will continue both the Focus On... daily Tweets and the podcast. We are also planning to run some live Kahoot quizzes to support the connections and interaction - we think every little helps. Mr Jackson is currently working on some ways to connect for physical education for both children and parents! Watch this space.

If you have any other ideas that will help, please do share.

## Year One Superhero Day

Year One, at home and school, enjoyed some normality, if we can describe superheroes as that. Here are a few images to help us smile.

And from one set of superheroes to another, a huge **THANK YOU** to our NHS Critical Workers. With family in the NHS, I am partially aware of the strains so I wanted to give you a shout out. Your resilience and all you do if greatly appreciated.

Take care and stay safe.

Mr Kite

Principal
